Community Council Mews

The last meeting was somewhat curtailed due to the lecture given by Dr. Bath. on the Restoration of the Royal Canal. This was a most informative and interesting talk, supported by slides of the tremenduous amount of work (some already done) necessary for the complete re-opening of this Canal.

Regretfully it seems, people are not interested as despite extensive advance notices of the lecture, only 8 people not connected with the organising groups attended. Perhaps the suggestion made some years back that the Canal be closed and motorway constructed in it's place was a good one after all.

However, we are sure, people will in time learn to appreciate the wonderful amenity on their doorstep. The Communities in other areas as far apart as Blanchardstown and Mullingar do, and they are working full steam ahead to repair and restore their own sections. Will anybody who is interested be they Swimmers, Boaters, canoeist or plain canal bank walkers, please contact any member of the Community Council.

The remainder of this short meeting was mostly concerned with matters relating in milk); 3rd. to Kildare County Council. Residents will, we are sure have already seen the replacement of the speed limit signs at more appropriate sites. Provided they This is indeed a triumph for are observed, and we sincerely hope and pray that they will be, greaters fety for people is assured. Other County Council matters which we are pursuing with the utmost vigous will be detailed here as they are brought to fruition.

The next meeting of the Community Council will be on June 14th at 8 o'clock, in the Geraldine Hall.

Editorial

Some years back families with children found themselves, at this time of year worrying about school fees. This was indeed a major burden, particularly on large families. However our prayers were answered and FREE EDUCATION became available to all. Only minor expenses remained to be paid, such as, uniforms, slippers, pencils, pens, rubbers, copies, sporting equipment, books and EXTRA BOOKS?

The sum total of all this is that now no family, irrespective of size, need pay more than two or three times the amount that would have been due under the old system, even allowing for inflation. Now isn't that a vast improvement!

Seriously though, there must be something very wrong with the Department of Education. Let us analyse the position. First of all a school must be provided in an area. So the Community must find a proportion of the cost be it by contribution or by fund raising. Then when the children go to school we are forced to contribute again for the various items mentioned above.

A new twist has been introduced into this whereby during the year further books are required for a particular subject because 'the children learned so fast that they finished the first book'. After all this we are now being asked to pay for heating the school. This has come about due to the rising cost of oil. Surely it is ridiculous to blame the Oil Sheiks for the fact that we cannot properly manage our Schools.

Perhaps if we had some say in the building, running and aims of the school, we might not feel so bad about the cost, but as it is we are merely providing the funds for some one else to use as they see fit.

FREE EDUCATION HOW ARE YE!

FASHION SHOW

The Fashion Show held in the Parish Hall on May 2nd was very successful. The range of clothes shown by our local boutiques was very impressive, and they were backed by collections from further afield. The junior models from Maynooth nearly stole the show from the professionals. In charge of the proceedings was Kay Toal whose versatility and expertise charmed everybody. The Association wishes to thank very sincerely everyone who helped in the organisation and running of the show, in the serving of teas, the beautiful flower arrangements, and the donation of prizes for the raffle. The net profit amounted to almost £100 and it is hoped that next year's fashion show will bring in double or treble that amount.

MAYNOOTH VISTA by Newcomer.

Well! Back again after ten weeks and trying now to put some kind of shape on the garden. I hear the weather was not too good during February and March and if it was any worse than April - the last two weeks of which I experienced having arrived home in the middle of that month - I can only sympathise. My sympathy is limited, however, as I have now appropriated the greater part of it for myself. I am trying to dig a garden in which every time I stick a spade in the ground a stream of water comes up and hits me in the face. Mild exageration but you know what I mean. The fact that every one assures me that 'everything is late this year' is poor consolation and poorer still is the follow up which further assures me that 'vegetables will be a terrible price this year'

Forgetting about distance in terms of mileage - for the record it is six thousand miles - it is hard to realise that within a twelve hour

journey from Maynooth one could, during the month of March, be planting daffodil bulbs on the Highveld twenty miles north of Johannesburg clad only in shoes and shorts. And another thing can you imagine planting bulbs in March to flower in September? It's a bit crazy really and a gardening book produced in South Africa reads like a Mad Hatter's Tea Party to the normal Irishman.

While I was away I learned that Carton had been sold but I have been unable to discover who exactly did the buying •

There is some suggestion that the estate is gone to a developer or developers. I sincerely hope that if such is the case our very efficient (?) County Council Planning Authority will ensure that any development which may take place will be in accordance with the rural amenities which Carton represented in our area and that we do not end up with a conglomerate of concrete jungles on our doorstep.

One thing they do well in South African townships is their planning. In

Randburg - a developing suburb of

Johannesburg - for instance one is not allowed under municipal law to build a house on less than half an acre. I realise that there is an abundance of land and much of it not agriculturally workable but the limiting of building density certainly creates an enviable residential environment.

One last thing. Bord Failte has come on 'the box' with a new advertisment for Irish tourism. Now I am not sufficiently square to be unaware that to sing successfully in this day and age one must adopt a spurious American Accent. But when the young lady singing off stage in the Bord Failte presentation suggests that every 'Badie' should visit Ireland I am tempted to ask if we have not enough 'badies' here already without our asking any more to visit us.

So long, now! Keep the Faith!

MAYNOOTH DEVELOPMENT ASSOCIATION

The Banquet Season at Maynooth Castle has come around again. This will be the seventh series of banquets since the idea was first raised of bringing the great castle of the Fitzgeralds, still standing after nearly 800 years, back into the centre of Community life. Since then the Banquets have gone from strength to strength and now are an established feature on the tourist beat, as well as being a high point of the year for the local people. By now so many individuals and organisations are involved in the running of the banquets that they have become in a very real sense a community project. This years Banquets will be held on Friday, Saturday & Sunday 1st, 2nd, 3rd July. As usual they will start with a mead receiption in the grounds of the castle, followed by a banquet of the usual high standard and quality we have all come to expect. Tickets £6 each, available from Mrs. F. Satchwell, phone 286240 and from Mrs . Toni Read phone 28605.

MAYNOOTH CASTLE

By Mary Cullen

William the 13th earl of Kildare, who was lost at sea while on his way to Ireland in 1599, was the last male descendant of the 11th earl Gerald, the half-brother of Silken Thomas, and the son of Garret Og the 9th earl and his second wife, Elizabeth Grey. The title now passed to Gerald, eldest son of the 11th earl's next brother, Edward. Gerald, who succeeded as the 14th earl, had been brought up in England and had already fought in Ireland for Queen Elizabeth in the war against Hugh O'Neill of Tyrone. He was prominent in government political circles as well in military affairs, and as the nine years' war continued his two castles in county Limerick, Crom, from which came the Kildare war-cry Cromabu, and Adare, were taken by Sugan earl of Desmond and occupied for some months before being retaken. The 14th earl of Desmond had died in rebellion against the queen in 1583. After that his lands had been conficated and his adherants attainted. Now Hugh O'Neill was trying to rally support to his cause in Munster by sponsoring the dead earl's nephew, James FitzThomas FitzGerald who now claimed to be earl of Desmond. His opponents gave him the name of sugan, or straw rope, earl, and he never succeeded in winning enthusiastic support from the Fitzgeralds of Desmond. Later on in the same year Crom Castle was again taken for a short period, this time by Hugh Roe O'Donnell, O'Neill's ally.

For a number of years after his succession to the title the 14th earl was not in possession of Maynooth Castle, as this had been left for her lifetime to Mabel Browns, the widow of the 11th earl. Unknown to the countess a new insurrection against the English crown was planned at the castle in 1606. Those involved were the great O'Neill himself and Rory O'Donnell, who was married to the countess Mabel's grandaughter Brigid Fitzgerald. In the castle garden they tried to persuade the countess's grandson, Richard Lord Delvin, to take part. Later the countess wrote to the authorities to express her sorrow 'that the late treasons should have been plotted at Maynooth, and strongly protested her own innocence' At this time, around the year 1600, the town of Maynooth is described as being one of the typical small market towns of the settled areas of the Pale. Others in the county were Kildare, Kilcullen, Naas, and Leixlip, and in Meath there were Athboy, Kells, Trim, Navan and Dunboyne. Of the castle itself, Tynes Moryson, whose Itinerary was published in 1617, writing of this period says: 'at the time of the war I did not see any venison served at table, but only at the houses of the said earls (Kildare & Ormond) and of the English commanders'

Countess Mabel died in 1610 and the earl came into possession of the castle but he himself died two years later in 1612. His only son Gerald, an infant of seven weeks, succeeded as 15th earl, but died at Maynooth in November 1620 when he had not yet reached eleven years of age. The succession went back again to the children of Garret Og and Elizabeth Grey. George, the eldest surviving son of their third son Thomas, now became the 16th earl. George was only eight years old when he becase earl and so, as a minor, became a ward of the crown. There was often a great deal of money to be made from the guardianship of minors who were heirs to rich estates, as the guardian had the control of the estates and their income during the minority, and guardianships were bought and sold in the hope of profit.

The young 16th earl was placed in the guardianship of the earl of Lennox, who had also been guardian, under the crown, to the 15th earl. When the duke died in 1624 his duchess became guardian and in 1629, with the consent of the king, she sold the wardship of the earl to Richard Boyle, the first earl of Cork. At this time the king, Charles 1, had a letter sent to the Lords Justices of Ireland, stating that the title deeds of the young earl were in the care of Christopher FitzGerald, a servant of the late earl Gerald, but that as he was now a very old man the king directed that they be given to the care of the earl's uncle Aungier and of Sir William Talbot of Carton. They were to be kept in a chest with three locks, and one key was to be kept by the earl's guardians, another by Lord Aungier and the third by Sir William Talbot. Lord Aungier himself wrote to the young earl to keep him informed of what was happening.

My dear good Lord.

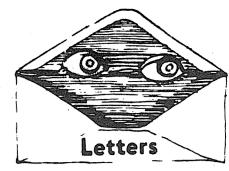

I am certaynely informed by a witness sent, that my Lord, the Earle of Corke, hath contracted with the Duchesse of Lennox for your wardshipp with your consent. Since God hath ordayned it soe, I beseech min to give a blessing to it. I hope he will use you nobly, and looke well to your estate, preserve and increase it, whereunto, God willing, I shall give my best help. It is most requisite you should bee very carefull of your evidences. They are now in the possession of the old steward, a faythfull servant of your howse; they are kept at the howse of Maynooth, in a place there called the Councell howse, strongly built of stone, a little remote from the howse, toward the garden; a place very fitt for their keepinge. If you please, I will cause them to be kept there, under locke and key, untill they may be safely delivered to yourselfe, at your cominge into this kingdome; which I hope now will not be longe. Soe I commend you, My Lord, to the gracious protection of the Almighty.

'Your very affectionate lovinge Uncle, to doe you service, Francis Angier. Dublyn this last of August, 1629.

The Council House stood on the site of the present Stoyte House, the Georgian house at the centre of the present buildings of Maynooth College which face the visitor as she or he enters the main gate. The remains of the Council House were removed around 1780 to make way for the new building, which was intended for the duke of Leinster's steward. The stone table in the illustration, which is dated 1533 and belonged to the 9th earl Garret Og was originally in the Council House.

Richard Boyke, the earl's new guardian, was one of the 'New English' who acquired estates in Ireland during the new plantation in Ulster and the resettlement of lands earlier planted with English colonists which followed the end of the war between Hugh O'Neill and the armies of Elizabeth and the flight of the earls in 1607.

It was the native Irish who gave the names Old English, or Sean-Ghaill, and New English or Nua-Ghaill, to the two categories. The New English were Protestant and closely linked to the government and officialdom. The Old English were mostly Catholic and increasingly concerned about their own standing with the new type of government and policies that were being imposed in Ireland. Boyle acwuired vast estates in Munster, was created earl of Cork, and became prominent in the political life. His son Robert, born at Lismore in 1627, became famous as a scholar and scientist and gave his name to Boyle's Law. He was a founder of the famous Royal Society and financed the translation and printing of the Bible in the Irish Language.

to the Editor

Dear Editor.

Through the medium of the Newsletter My wife and I would like to thank most sincerely all who helped us in anyway when our home was destroyed by fire at Easter.

A very special word of thanks to the neighbours who helped and sheltered us at the height of the fire.

The parish clergy who were so kind to us.

Trusting that this will be received by all in greatful appreciation as it would be impossible to thank each one individually.

Yours sincerely, Edward & Eileen Healy. 7.38 Greenfield, Maynooth.

Maynooth Castle continued

Richard Boyle, now guardian of the 16th earl of Kildare, arranged a marriage between his ward and his daughter Joan with the consent of the king. The marriage took place in 1630 and, for the occasion, Cork carried out restorations and additions at Maynooth Castle, which was by this time in poor repair after two minorities. Over the gateway he placed the following inscription:

> This ancient mannor houde of Maynooth, being totally ruined and ready to fall, was new built and enlarged by the Right Honorable Richard Boyle, Knight, Lord Boyle, Baron of Youghal, Biscount Dungarvan, Earl of Cork, the Lord High Treasurer of Ireland, and eof the two Lords Justices in the Lovernment of the kingdom; who, being guardian of the lands and body of the Right Honorable George, the fyfteenth Earl of Kildare, to whom, with Royal assent of the KingIs Majestie, he gave his fourth daughter, the Lady Joan Boyle, in marriage, builtt this house for him at his own charge, in Anno 1630.

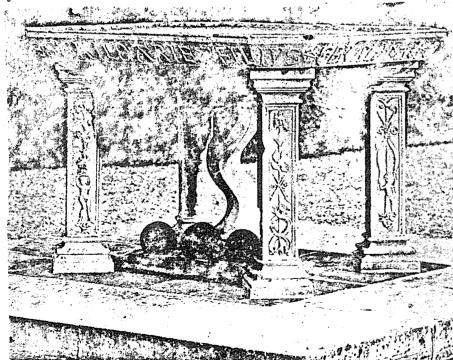

If the earl of Cork could see Maynooth Castle today he would no doubt be surprised and disconcerted to see that his inprovements have all but vanished and that it is the 13th century keep and gateway that still stand fairly intact after more than seven and a half centuries.

GREENFIELD ESTATE RESIDENTS ASSOCIATION

A general Meeting was held on Wednesday 4 th May in the Geraldine Hall. The main items for discussion were Ground Rent. T.V. Aerial, Cake Sale, Field Day & 'The provision of a non professional labour force' was another item which brought lively discussion. Basically this means that if your neighbours know that you are handy at some things they can ask for your help.

CAKE SALE:- By the time you read this piece we will have had our 2nd cake sale. Hopefully it will be a great success as we intend to use the proceeds to finance the fieldday.

FIELD DAY :- (June 26th) This event is at an advanced stage of planning. There will be races for everyone - toddlers included. We have novelty events including a road by road Tug-o-war; obstacle race and relay race. There will be prizes for all. If you feel you could help in any way please contact P. Lynch, 69 Maynooth Park.

SUBSCRIPTIONS:- These are coming in slowly but surely and as these are the main finance of the Association it would be a great help if you had your money ready when your Local Representative calls. If you are in doubt please call to Ba Gartland 48 Lawrence Avenue and he will gladly relieve you of your £2.

FENCE ON LAWRENCE AVENUE:-The Residents of Lawrence Ave., with the co-operation of the Association are at the moment looking at quotations for the provision of a 4 ft. post and rail fence along the Celbridge Road. So far the Co. Council have refused a grant of any kind but we will keep pressing. With the opening of the 'Telemecanique' factory at Maynooth Road, Celbridge the volume of traffic could treble on this stretch of road. If you feel you could help in any way either with advice or a quotation for the fence please call to 5 Lawrence Ave:

SECRETARY:- Sadly of late we have been without our Secretary Carmel Hogan, because her daughter Elaine was ill. We are glad to hear, however, that Elaine is getting better and send our regards.

TREES & STUDENTS: This may seem a strange combination unless you live on Greenfield Drive. Last Saturday night 14th May, following a party at '59' Greenfeld Drive, the 'Dawn Revellers' broke 4 trees on their way home. This from supposed responsible people, is a disgrace. Surely it is proper to expect that the 'Guests' of our estate will show some respect for their 'Hosts' environment. If any of the 'people' concerned read this I ho pe they feel some shame.

MONTHLY DRAW:-

Winner of April draw was Tom Purcell, 49 Lawrence Ave.. (collector Tom Purcell). We have now got some spare numbers due to people moving house. If anyone would like a second No. please let us know.

ANNUAL REPORT 1976 - '77

Committee: - Tony Shine, Thomas McMullon, Liam Murphy, Declan Mulcahy, Jim Ryan.

At the Annual General Meeting of the conscientious members of the the Association held on 29/4/376 the members of the outgoing Committee did not seek re-election. The above committee was then elected for the year. The following is the Committee's report for 1976/'77.

LIGHTING

The council has advised us that provision has been made for 3 lights to be erected on the Newtown road at the entrance to the estate. Each lamp-post on the estate has a nymber on it and the E.S.B. in Leixlip require when reporting a light out of order

NEWTOWN ROAD

The council also advised us that a provision of £3,000 has been made for road improvements between the village and the entrance to the estate and for a foot-path from the bridge to the estate.

WATER SUPPLY:- The committee complained to the council about the poor supply and also the many complaints we had received about dirty water. We also brought up the question of council informed us that all users must pay the water rate and ensured us that inprovement in the supply was on its way.

STUDENT RESIDENTS:- As most residents are aware there have been many incidents involving students. Following representations to the College President and the Students Union, two student residents were elected by the students to liaise with the residents committee on student activities on the estate.

ESTATE MAINTENANCE:- It has been the policy of the committee to try and ensure that the estate landscaping has been kept well maintained. This we have tried to do even though it has been badly supported by many residents who do not appear to feel it is their job to help keep the grass level low or that shrub areas require weeding. We and a few of

Association have spent much of our spare time cutting grass and ensuring most of the shrub areas are kept weed free but it is an impossible task with so few helpers:

The lawn-mower again was broken and has cost £70 to repair. All people using it must ensure that the area being cut is stone free and also that oil and petrol levels are correct and that if grass is high two cuts should be made.

COMPLETION OF ESTATE:-

We have tried so far unsuccessfully to get someone to finish off the estate but as the remainder of the houses are bring sold by the Commercial Bank. who are the original Mortgagees of the Land, we feel they have a moral and legal duty to see that the Estate is finished.

> We have asked them for a letter showing under what authority these houses are being sold by them: Are they giving an 18 month guarantee on the houses and sewers, etc. If so, who is going to do the work etc.

So far they have refused to accept any responsibility but we will continue to pressurise them. The County Council also feel that the Bank have accepted responsibility by selling the houses and are doing their best to push from their end.

The County Council have completed a survey in the Estate at the request of the developers agents and the R.A. and to date we have been unable to get this report from them. Councillor T. Boylan has promised to investigate and to let us have a copy as soon as possible.

TELEVISION AERIAL The Communial Aerial has been abandoned by the Community Council. It appears that some areas could not agree to the arrangements that were made.

DINNER DANCE:- The Committee has spent considerable time organising a dinner dance which we hope will be a great

Congratulations is due to all the teams who competed in the recent contest, but more especially to our own team directed by F. White and D. Mullally. It was our first venture into this field and it was unfortunate that due to the lack of time we could not get everyone to participate but we hope that before the next Concert we will be able to produce a great show.

Our team put on an excellent show for whichthe estate should be proud. We won the first heat and went into the final, it was unfortunate that the microphones failed half way through the show due to some unknown reason. All we can hope for in the future shows is that the Development Association see that all the facilities in the Hall, lights and sound etc. are functuning properly so that everyone can be shown to their best. Our congratulations to Lucan, and Old Greenfield on their excellent shows. We look forward to future contests.

CLUAIN AOIBHINN NOTES Editorial Comment

PARISH HALL:- It must be pointed out that the Development Association are in no way responsible for the Parish Hall. The hall is administered by the Hall Committee on behalf of the Church. We agree however that the maintenance of the Hall at present leaves alot to be desired.

COMMUNAL T.V. AERIAL:-The Community Council did not abandon has to be added. The running

this project. After thorough investigation it was found: -

- Nearly a quarter of the houses in Maynooth were already using piped Systems.
- The cost of the project had risen out of all proportion.
- The Community Council were not prepared to commit the peoples money without some guarantee of success. This the licence holder was unable to do.

PARISH NOTES

by Fr. O'Higgins P.P.

My reason for signing these notes is that some of the views expressed are my own, with which the other priests might not necessarily agree. People may have been surprised and even a little hurt at my recent announcement that not enough revenue was coming in to meet our running expenses. In so far as this was a complaint, it was not against the parishioners but against the peculiar financial system under which we have to work. The Sunday and Holyday collection and the dues go to support the clergy not only the clergy of this parish but also the retured and infirm clergy of the diocese. The weekly envelope collection ('planned giving') is for the parish building fund. The people are giving quite generously to both these funds. The 'Share' collection, which is also well supported, goes to meet urgent diocesan needs in developing parishes whose problems are much worse than ours.

But there is no proper provision for the very heavy running expenses of the parish - lighting, heating, cleaning, insurance, rates etc., for the two churches and the Parish Hall. The Schools' expenses are provided for, though

inadequately, through a government grant to which a local contribution expenses accounts for the churches and the hall are constantly in the red. The bingo, which was our mainstay for years, is experiencing a recession. The weekly dances have been discontinued for several good reasons.

The only regular sources of income are the hall rents and shrine offerings, which are entirely insufficient to meet the costs.

We are gradually repaying our bank debt, greatly increased owing to the Ladychapel roof job, but we could do it much more quickly if we had some better means of meeting our running costs. The parish finance advisory committee keeps this problem under review, but a solution is hard to find. I have put the matter before the diocessan finance secretariate and have been invited in to discuss it with them. I hope something constructive will

FIRST HOLY COMMUNION :-We congratulate the 88 children who made their First Communion on 14th May. OPENING & BLESSING OF THE NEW EXTENSION.

Before these notes appear the new extension to the Boys' School will have been officially opened and blessed.

Thanks are due to all who helped to organise the occasion, and particularly to the Maynooth Guild of the I.C.A. who kindly undertook to provide light refreshments for the guests.

As from 1st July, when Junior Infants come in , every classroom will be in use. Plans are going ahead for a further extension to bring the school up to sixteen classrooms. This is necessary because of the continued growth of Maynooth.

GRAPEVINE

A monthly and sometimes satirical review of local news, gossip, general chat and perhaps occasionally unbelievable rubbish.

Congratulations to LUCAN the Winners of the recent Talent Contest, and also to Runners-Up, Old Greenfield, and 3rd placed Cluain Aoibhinn. Despite very short notice, the above teams and those eliminated in the heats, contributed to some very enjoyable evenings. In this day and age where on earth could you get some 3 hours entertainment for 50p?

It is intended to run this contest again, sometime in the Autumn, when the long dark evenings are with us again. This time the contest will be definitely confined to Maynooth, as we hope to enter the winning team in the National 'Top of the Forms' competition. So now, all those teams who took part, the areas who didn't, and anyone else wishing to enter, take note. You have been warned well in advance.

A current rumour circulating that the Community Council had purchased Carton Estate, to prevent its development as a housing estate, has been catergorically denied by them. The Secretary did admit that they had approached the Banks for a loan, but one of the conditions of the loan, was that the Council put down a ten-per-cent deposit of their own money, and as the council only had 3.69½ on hands at present, they reluctantly had to forego this property.

Following an inquiry to the Co. Secretary, Councillor T. Boylan was informed that a submission was made by the Co. Council to the Department of Local Government in Oct. 1975 of plans, specifications and costing of the work of erecting a Pool but sanction had not yet been received.

The Winners of last months Painting Competition were:-Kenneth Cregan, 31 Laurence Avenue. Sean Holton, 10 Maynooth Park. Tracy Gaffney, 6 Rail Park:

Niall Buckley, 125 Rail Park.

Antoinette Higgins, Greenfield! Breeda McGarry, 757 Greenfield.

Congratulations to them all and they will receive their prizes shortly.

Items for inclusion in the July issue of the Newsletter should be handed in by June 12th.

In the first week of May an E.S.B. breakdown occurred in the area at a very early hour of the day. It has come to our attention that someone was interfering with a lamp-standard at about 6.a.m. Apart from the fact that this is a highly dangerous thing to do, it must also be noted that such an event is liable to prosecution.

May we take this opportunity to warn members of the Public about meddling with electricity in the street or at home. Loss of life is poor reward for lost meals or a few hours of darkness.

NORTH KILDARE TABLE TENNIS CLUB.

North Kildare Table-Tennis club is situated in the North Kildare Sports club complex, just one mile outside Maynooth on the Kilcock road. It has been in existence just seven months and since its amalgamation with the successful Maynooth Table-Tennis club, North Kildare has won Division Two of the Kildare League against such strong opposition as Abbeyleix and Newbridge. The present members have also excelled themselves in individual competition which is also noteworthy.

The facilities at the Club are probably the best in Kildare, everything has been taken into account, lighting, tables, and even a bar for socialising after matches. One of the primary aims of the present committee is that these facilities should be enjoyed by everybody who are interested in playing Table-Tennis. New Members both junior and senior are welcome from the Maynooth, Leixlip, and Kilcock areas, so more teams could represent the club in competitions. It is hoped to engage a coach for the coming season, so everybody will be well cared for, with expert advise on hand.

The club is open every Monday and Wednesday night from 8 p.m. to 11.30 p.m., and those wishing to avail of further information should contact the Secretary Jean Nolan, Easton Road, Leixlip. MAYNOOTH SWIMMING CLUB

This Month we want all of our readers to take note that we have decided to run a Bus to Clondalkin Swimming Pool so as we can reach out and include all of those who wish to Swim but who cannot be accommodated in St. Raphael's small but lovely pool.

We are only taking the Pool on a trial basis of 6 weeks, if we find there is a need for it and the venture is successful we will of course continue it.

This will be a Family Bus, Clondalkin is a lovely Pool, and there is a portion set aside for beginners as well as those set aside for Swimmers at various stages.

The Bus will leave the Square at 6.15 p.m. on Monday 13th June. The Bus belongs to Celbridge Transport, as Mr. Barton had no Bus available for that night, and it was the only time we could get.

Swimming time is from 7 - 8 each Monday. The Fee will be £4.50 for the six nights (payable in advance). This includes Bus Fare, Pool Fee, Life Guards, and Instructors. There will be a special welcome for Cubs, Guides and Scouts. We would like as many adults as possible to travel with the Bus, note we are not appealing to the overworked Scout and Cub Leaders, but to the Daddies and Mammies who would like to Swim with their children for the few Summer Weeks at least. If you are interested please fill in the form you will find in this Newsletter and drop it in the nearest letter box (of those mentioned) to you after which one of our Committee will call on you.

It has been a very Busy Month for the Club. The Children are on their last term before the holidays. The Adult Swimming at St. Raphael's is really going beyond all expectations, and perhaps the nicest thing is that all of those who joined seemed to be enjoying themselves so much.

This week 'Our Young Life Savers' are back on the Job again. They really had a Marathon Course, of two hours each night at St. Raphael's Pool (this was sponsored by the Kildare Water Safety), it was an intensive course, they will take their Examinations on Thursday 26th May, and we wish them luck. Of great pleasure to us is that three adults from Maynooth joined the course, next time we hope to be able to include

We heard there was a wonderful film on 'Water Safety' shown somewhere in the Town. We wish sincerely somebody had invited us to it, as it would have been of great advantage to our band of 'Life Savers' . We really would love to know who else in Maynooth Town is interested in Water Safety, we really should band together for our mutual good.

DON'T FORGET YOU HAVE A DATE IN THE SQUARE 6.15 p.m. ON MONDAY

All roads lead to Tolka Park on Sunday 22nd May when Maynooth Town play St. Theresa's in the Final of thr 'Sheeran Cup'. Anyone who missed the semi-final replay victory over Drimnagh Dynamoes 2 - 1 after extra time (the first match ended 2 -2 after extra time) will surely book their seat for what promises to be an epic Final.

Let's hope our supporters motto comes true 'we are off to Dublin in the Green - to collect the Sheeran Cup'. The excitement not only ends there for on the following week the TOWN play Trim Celtic in the final of the Cruise Cup, again the venue is Tolka Park. Amid all this Cup involvement the business of winning the league is still on hand having to win our last three matches to have a chance of clinching the title and promotion to the Premier Division

CONVENT SCHOOL

It was only with great difficulty and expense that we were able to maintain adequate heating in the school for the past year. To effectively secure a proper standard of heating in the coming year, we have been advised by our consulting engineer to renew some of our heating equipment.

To defray the cost of this equipment. the Board of Management are organising A Sponsored Walk on Sunday 19th June, 1977. To make this a hugh success we ask for your full support.

SPONSORSHIP FORMS ARE AVAILABLE IN THE SCHOOL.

THE ROYAL CANAL

A very interesting lecture, given by Dr. Bath, Chairman of the Royal Canal Amenity Group, at the Geraldine Hall on 10th May drew attention again to the great amenity value of the Royal Canal passing through our village. The good news is that the lock gate at Blakestown is to be replaced in the next few weeks. This will have the effect of raising the water level along this section and the canal will then be open for boating, fishing, etc., and will provide a nice walk along the canal banks in the coming months.

Furthermore, the Amenity Group intend to run their water bus right up to Maynooth as soon as the water is available.

The bad news is that there is still quite an amount of work to be done along the canal banks and the Community Council are still anxious to organise working parties along the banks to clear them. These working parties can be fun as well as useful. Nobody is expected to work over hard and in many areas people take a meal along and have a picnic, sing song etc. (If you have any interest in joining one of these parties please contact the Community Council).

Future work proposed in the course of the next year or so is to open the canal for boating right up to Killucan where there is still a stretch open for boating of about 60 miles or so. (What an opening for a canoe club - What are you waiting for boys?)
