FOLK GROUP NEWS.

Hello once again from your Folk Group.

Many things have happened since Firstly, heard from us last. which we held on August 20th and was very successful.

Despite the early poor weather conditions, it went very well, and the money is still coming in. don't have a grand total yet. would like to say a big 'Thank You' to all who contributed so generously. Thanks also to Mr.Bill Donov n fo owing us to operate outside the Shopping Centre.

On the 5th September, we were invited to sing t a special 'Youth Mass' in Leixlip to celebrate the the 150th Anniversary of the Church The Mass was celebrated by Fr. Roe and it was a very beautiful occasion.

We are hoping to organise a Christ Concert for December 17th, and have been Group Funds! working on it for a while now. It is a lovely thought that we could together with the Band and the Choir to do a concert at some stage but, unfortunately, we had already arranged, a while back, to do one ourselves and we look forward to doing one with the Band and Choir in the future..

We would like to extend a warm word of welcome to some new mem-Maria Brennan and Jacintha Nolan who joined us recently.

We would like to take this opportunity to extend our very best wishes to Fr. Supple on his induction as Parish Priest. May he have many years of happiness in his new post. welcome to Fr. Denis Cogan who became our new Curate. wish them both every blessing.

It was a great honour to be asked to join with the Choir and the Band at Fr.Supple's induction ceremony.

This was a very beautiful occasion. We really enjoyed singing and playing with the Choir and Band, who were really fantastic.

We would like to extend our deepest sympathy to Eithne and Elaine on the recent death of their Aunt R.I.P.

CORRECTION.

Mrs. Maura Cullen, of Laraghbryan, Maynooth, wishes to point out that she is NOT the Mrs. Cullen involved with activities on behalf of local itinerant groups, Mrs. Maura Cullen is not involved in any way with activities on their behalf.

We wish to apologise to our regular contributers, whose articles do not appear this month. This was because our typesetter broke down. to the Editor

Dear Sir,

Your October editorial on the itinerants was disturbing. Granted that young itinerants begging in the Town are a nuisance. Granted that some itinerants can be rowdy and that some are undoubtedly capable of theft, it ill behoves the settled community to point a finger at them when we have failed to provide halting sites as recommended by the Itinerant Settlement Committee established by Kildare County Council, in a report which was unanimously adopted by the full Council on 7th March 1983.

This committee decided that we in Maynooth should provide one serviced halting site for the four families in our area and that there should be two further sites in isolated areas for itinerants other than the 34 families indigenous to Kildare for which the Council is responsible. Had such sites been provided it would be legally possible to move those families camped at the Town entrance who are causing such disquiet. But we refused to comply with the committee's recommendation and we are now reaping the consequences.

While it is easy to understand and sympathise with the fears of the settled community, a moments reflection will convince any fair minded person that without halting sites the itinerant problem will be perpetuated and exacerbated. Families will not be able to send their children to school and a new generation of semi-illiterates will roam the land. The location of halting sites is obviously a thorny question, but

if each area in the county played its part, the burden would be reduced to manageable proportions.

Sooner or later Maynooth will have to shoulder our share of that problem. f we continue to balk, we will find more, not fewer itinerants camped on our doorsteps.

The unsightly loads of earth that the council has dumped along the roadside in front of the S.V.D. Hostel and opposite the Parish Church to discourage camping is mute testimony to our present shortsightedness. Talk about fouling our own nest!

MAYNOOTH STUDENTS' TRAVELLERS' RIGHTS ASSOCIATION.

St. Patrick's College, Maynooth, 14th Oct. 1983 Dear Editor,

We wish to clarify the following facts:

I. Our Group did not smuggle secret legal documents to the travellers, as implied in last week's 'Leinster Leader'.

2. At no stage did our group invite travellers into rented accommodation. Following a discussion with members of Laraghbryan Residents Association, we, as a group, have agreed to approach the travellers in an effort to get them to:

- I. Clean up their sites.
- 2. Stop begging.
- 3. Stop harrassment of local people on the streets.

Hence forward we shall keep you informed on \underline{all} our activities through the medium of this paper.

Yours sincerely,

Aine Maire Ni Chaomhain, Secretary.

The following are some replies received by Cllr. in response to inquiries made by him on behalf of constituents:

I. With regard to dumping at Connolly's Folly (The Obelisk), the County

the main trouble seemed to be from
dumping of car bodies in the area,
as well as some dumping of household
refuse. He stated that every effort
would be made to have as much
as possible of the rubbish removed
as soon as possible.

2. With regard to an inquiry by Cllr. Stagg about provision of a telephone kiosk at College Green Estate. The Secretary of the Department of Posts and Telegraphs that

it is intended to provide a kiosk at the Estate but there would be some delay as there are alreay 400 other places listed for such phones.

Moyglare Road, Mr. Ward, Co.Executive Engineer, stated that he inspected the road and regretted that he could not see his way to reshaping the surface of the road to prevent ponding of water. He agreed to discuss the provision of lime tres, etc. with the Environmental Section. In response to an inquiry by Cllr. Stagg re rodent infestation at Straffan Road (between the Square and the Bridge) The Health Inspector, Eastern Health Board, agreed to look into the matter.

Editorial

Reluctantly we have to say that our last Editorial on the local 'Itinerant Problem' has not brought about much, if any, improvement in the situation. (Not, indeed, that we really expected it would.) On the contrary, we hear disturbing rumours of further misbehaviour by itinerants from petty theft to harrassment, even to indecency. This does nothing to assure the people of the town that their interests are being looked after by those who are appointed to look after such matters

One good outcome of the situation is that it has tended to get more of the people to join together to look after their own interests. It has shown us also that it is very necessary that we should have strong organisations to look after ourselves when the properly appointed officials neglet their duty as they are doing now.

As we said, strong vigilant organisations are necessary and, even more so, a strong central organisation for the whole town, such as a Community Council is even more desirable. A strong representative Community Council could keep its finger on the pulse of the town and would be in a position to act swiftly on behalf of of the townspeople, as one body.

We did, of course, at one stage have a Community Council which did a certain amount of valuable work for the town. Due, however, to apathy and perhaps some confusion with the Maynooth Development Association, it folded up. This was several yearsago when Maynooth was much smaller and less organised.

If the present upset in the town does nothing else but stimulate a new interest in a Community Council, representative of the town in general, it may even prove to be a blessing in disguise. We suggest that the present Residents associations should get together as soon as possible and form a Community Council. Such a Council is an urgent necessity if we are to get just treatment from the County Council from its present limited resources. Other neighbouring towns, with Community Councils, seem to be stealing a march on us.

SWIMMING CLUB.

Our new swimming year commenced on Saturday Oct lst. with a session for our most advanced swimmers in Coolmine. The following Thursday the next session got under way in Kings Hospital. However, due to the numbers turning up for these two sessions being low, it was found necessary to amalgamate them.

So now there is just one session which is in Coolmine on Saturdays.

The hus departs at 12 noon and the cost of this session is £14.00. The good news for our younger swimmers was that on Saturday Oct 22nd two sessions commenced in Stewarts Hospital. The times of these two sessions are as follows: Saturday: Bus departs 4 p.m. for swim at 4.45p.m.

Saturday: Bus departs at 4.45 p.m. for swim at 5.30 p.m.

The cost of these two session is also £14. per child, payable on first swim.

All inquirfies to Mrs. Susan Igoe, Secretary, phone 285497.

Under age drinking. The Minister states that under existing law it is very difficult to prove that a particular licencee committed an offence by selling or serving drink to under age children with the full knowledge that the child was under the relevant age.

However the Minister is considering

Regarding the road between Pikes Bridge and Ballygoran Cross, remedial work cannot be undertaken this year but the County Engineer will endeavour to ensure a reasonable surface.

r last meeting was held on Tuesday h October in the I.C.A. Hall. Maurice Manning T.D. was guest speaker the meeting, organised by local anch Chairman Senan Griffith d Secretary Claire Cullen. The inister for Finance Alan Dukes, E.P. Mark Clinton and our local D. Bernard Durkan were among e guests at the meeting. Members other branches in the Clane Electral area were also present, which we us a very large attendance.

aurice Manning is a T.D. in the ublin North East constituency. Is a lecturer in Political Science U.C.D. and is the author of two loks, "Irish Political Parties" and the Blueshirts" and he has also ritten a pamphlet on the History Fine Gael called "The Courage Succeed," to celebrate the 60th nniversary of Fine Gael and which ill has been made into a video lm which will be shown at the rd Fheis on Saturday 22nd October the R.D.S.

r. Manning also spoke about his volvement in the Forum for a ew Ireland. He said it allowed or the first serious attempt by he main cionstitutional parties to be down exactly what they mean then they speak of a United Ireland. It sorts of options would have bee considered although some f these would be totally unaccept-ble to people in the Republic.

What sort of political structure would have to be set up to accomodate Irish U

nity? Would the people down here be prepared to have legislation on moral issues which would satisfy Unionist opinion? Under the present economic conditions, would the Republic be able to maintain the level of services and grants which Nothern Ireland presently enjoys?

In posing these ques ons, Deputy Manning declared that as a nation, certain home truths must be faced and a note of realism must be injected into the whole discussion on Irish Unity.

The second subject Deputy Manning spoke about was the Foundation and History of Fine Gael. He told members that a video and book on the party, would be available at the Ard Fheis. He said that down the years certain characteristic qualities have remained ingrained

within the party since its foundation. Fine Gael has never shirked from telling people the truth, even though it is not always popular. Fine Gael would be failing in its duty if it did not do this.

He described the party as being very idealistic but that that idealism is always tinged with pragmatism. Some people say we are a conservative party but that assertation is not consistent with the facts, have never been against but have always been a radical party with innovation being part and parcel of the party. We are a very open organisation and seek the opinions and views of our members. Everyone wants to make their contribution to debate & discussion on the topics of the day and this should not be misinterpreted as dissensionm by those outside the party. heading towards dictatorship and loses touch with the very people is meant to serve. The people and not the party must come first. The Minister for Finance Alan Duke T.D. at his first meeting in Maunooth spoke extensively about the current economic situation. He said he hoped people would appreciate the difficult task facing the Government and that he found no pleasure in preaching doom and gloom. The Minister also stated thyat he was not very happy with the high level of taxation but that change can only come about when the economy is back on an even keel.

Mark Clinton M.E.P. who is an old friend of the branch and who took time out of his busy schedule as our representative in Europe, spoke about the importance of the Agriculture Industry to Ireland. He said that the proposed milk super levy which is under discussion would be far more detrimental to Irish

farming than to our counterparts in Europe, who are more advanced in their development than we are.

Our local T.D. Bernard Durkan, then spoke of the economic difficulties facing the country but he warned that in overcoming these difficulties,

the people and the Government have a joint responsibility towards the less well-off members of society. Government must be human to appeal to young people and they must feel that there is a future for them. The Government must always be for the people and any further increase in personal taxation could not be borne by the work force.

He then went on to speak about bureaucracy and red tape and that it must not be allowed to slow down the process of paying Social Welfare benefits. He concluded by telling us that he had recently headed the Irish Delegation at a conference in Luxemburg on the environment.

The theme of his speech at the Conference was the dangers of dumping nuclear waste in the Irish

We would like to congratulate Bernard Durkan on his brilliant playing in the football match played in U.C.D. Grounds, Belfield on Sunday 16th, in aid of the Rehabilitation Institute. An Oireachtas Selection versus R.T.E. Personalities. Final score, Oireachts 3, R.T.E 2.

Our thanks to everybody who supported our national collection on Sunday 16th October. We were very pleased with the amount collected.

BAND BULLETIN.

The Monster Bingo in the Leixlip Amenities Centre dominated the month of October and, as is usual on these occasions, there was much work for few hands. From 10 a.m. on the big day, this small group toiled man(and woman)fully setting up the portable stage, hauling 500 seats from our own Parish Hall and setting these, plus a further 500 into neat rows in the Hall.

12.30 p.m. saw the 'donkey-work' done - just enough time to grab a fillet steak (between the lot of us), then back to the hall to handle the early arrivals.

From the organisational point of view, the day was an outstanding success. Congratulations were showered on us from all sides, especially from many bingo promotors - the comfort of the hall, the quality of the public address (thanks to Willie Kiernan) and the standard of prizes all scored ten out of ten. 'What about the financial side?' we hear you ask. Well, that's a horse of a different colour. The attendance fell short of our target by nearly 400. Maybe the wet day was a factor or it could have been the unusual venue - we'll really never know.

Despite many rumours to the contrary, we had to buy the raffle prizes plus the 'free' holiday and the buses also cost money, as well as printing and hall rent. We were, indeed, grateful to the three Banks for their financial help towards the

unfailing faith in the 'Village Band'. October saw another instrument - a gleaming silver trombone -make its appearance in the Band, courtesy of those wonderful people in the Lions Club. The donation came through the success of their pony racing at Laraghbryan and, I, being the lucky trombone player, cannot speak too highly of the gesture. (In this instance, they really have made a silk purse out of a sows ear).

You shall be hearing more of this at the official presentation before the end of the year. At this time of the year, we recall our deceased members and our annual

Mass will be celebrated on Sunday 6th November, at II a.m. Needless to say, we shall be honoured to share this occasion with the relatives of all those members of St. Mary's Band who have gone to their eternal reward and, as usual, we shall be doing our utmost to make this Mass something special. We hope to see you there.

GERALDINE HALL PROJECT

Sunday 11th September, Fr. Supple and Fr. Pat Egan S.D.B. concelebrated Mass in the grounds of the Geraldine in thanksgiving because our project was nearing completion and God's Blessing on all those helped or contributed in anyway perhaps Fr. Supple's first function as Parish Priest. was the Sunday before his inducand what more fitting than Mass for Youth for whom he always shown such concern.

the Mass, a cheque for £335.60, proceeds of a Jumble Sale, was presented at the Offertory to the Hall Restoration Fund, It was cold but dry and the children sang with great joy. The effort to clean up the hall and put it on show the day of the Mass was tremenduous.

The ladies scrubed and cleaned,

polished windows, put up curtains. Mooney's, Straffan Way, donated a bowl & cistern, and of course Mick & Noel made sure it was installed. Mag., Myrth and John worked on the roof of the toilet into the small hours. Leo & John took to painting. All the week in preparation. Eva Whelan, Mary Fortune, Ann McGarry, Ann Power, Paddy Power, Eilis O'Malley and Margaret Kirwan never left paint brushes out of their

The Jumble Sale was truly a great effort. The pity was the day of the sale turned out so wet but it was a heartening sign to see so many people outside of the committee ready to work for 'the youth of the town. I wonder should I dare to mention names. If I forget anybody, please remind me. There is so much happening, my mind blanks at times.

CARPET DAMAGE FROM CLEANING

It has come to our notice that Carpet Damage from cleaning is on the increase. This is caused by Cowbovs in the trade who know nothing about carpets and who give the rest a bad name.

THE FACTS ON CARPET CLEANING

The emergence of new fibres and methods into carpet manufacturing, has introduced a whole New Concept into carpet cleaning. In order to get the best results of any carpet cleaning job, it is first necessary for the cleaner to identify and to have Expert Knowledge of the carpet about to be cleaned. This is very important - because even with the best machine and chemicals, incorrect use of either can cause colour runs and damage carpet pile. Mildew and shrinkage can occur when carpet is overwet and takes days to dry, so a particular technique might be best suited to a particular situation. Don't take these chances. Take Advice. It's Free. For around a £1 per yard or less you can expect and receive an excellent cleaning job with a Written Guarantee of Satisfaction.

We also supply and fit all makes of carpets at discount prices. *Replace old felt with Superior Rubber Underlay (which adds years of life to your carpet)

Birchell and Densie Cleary were helping too. Vincent Duff, Patricia & Robby were in charge of books. Mag, flirted with all the ladies, who bought rubbish for bargains to gain a smile. Myrte and John Dowling looked after everybody. Other children sold tickets. It was a great community effort and argues well for the youth centre.

Thanks too to the friendly farmers, who loan us the tractors to clean up the grounds and to Philip Ward of the County Council and Patsy, the J.C.B. driver. Don't forget, Patsy you promised to come back with that bucket, and to Kevin Kennedy who spread the weed killer and helped in the big clean up.

Three young ladies from Greenfield Drive, ran a very successful jumble sale. Sandra Gillick, Caroline & Collette Duff raised the large sum of £28.17 (fantastic) for the Geraldine. Brid Breslin raised £20 on the Mini-Marathon with sponsorships and Margaret Gillick £6. Brian Stewart is running in the Dublin City Marathon. Many thanks to you all.

October 11th saw the Geraldine Hall doors open to the youth of Maynooth and "Bru Bosco" was born. The hall was not and is not finished but it seemed necessary to open to keep faith with all the young people who worked so hard to help themselves.

We boast of one 6 x 4 pool table (no chrge). If you read this Mick Nolan, we went all the way to sutton to purchase this. Pauline Burke did the driving with a trailer on the car. Strange to say the man from whom we bought the table was enquiring about you. His name is Des Campbell. He played you last in the Geraldine in 1956. He also told us he was last to cover that Billiard Table, and is coming out to quote us for recovering (small world).

Many thanks to Bernie Durkan and his supporters who helped us bring the table in during his clinic. I suppose we could say it was a good job in the public relations sector.

We also boast of two dart boards, 1/2 dozen or more games, table tennis to be delivered any day now, a kettle and a few cups. Yet it can already be termed the best thing that happened to Maynooth in years. Our youth have a home, and they are really enjoying it.

We invite anybody interested to come along between 8 and 10 any night except Saturday and see how things are going. In fact we would love if you came and joined in the cup of tea. We need more volunteer workers especially "Dads" to help supervise. If wwe had sufficient, we could have a rota which would only call on a parent once in three weeks.

There are a few things we need that somebody might like to donate. More odd cups or mugs, small tables with sturdy legs (not the folding type), to be used for games, chess,

draughts, back-gammon, cards, etc. We can repair if necessary. We need music badly. We are just depending on a transistor. Ultra Vision is trying to rig us up an old mains radio with loud speakers.

Despit the wonderful collection and free labour, our well is dry, and we still have to fix up with Mr. Barrett for the plumbing parts. Mick & Noel Bennett are still giving their services free and with a smile thrown in. The youth of Maynooth have a lot to thank them for.

We are waiting to be connected up with the E.S.B. and we will soon have heat. John McGarry (another hero, though he insists it was Cathal Power did the work), is back again and John Flynn, Carton Demesne has joined the electrical work force. Winter is closing in and we cannot work any more at night as we are only working on a lead. However we have paid our fee for connecting to the E.S.B. and should have power shortly.

John O'Connor, Greenfield, sanded the floor for us. We hope to have it sealed when we get a few bob again. Thanks John, it was really hard work. John Caulfield donated lino. Don't forget the adhesive John. We are anxious to do justice to your generosity. Joe Buckley, Rail Park, with the help of David Burke & Pascal Ennis, built the boiler house. It still needs a door hung on it.

Paddy Power and Garry finished screen wall. Garry plastered ridge in the Eunction room, a good job too. Philip McDermott (to the rescue again), Paddy, Garry and Ann tackled the windows. There is still one to do. Believe it or not, Freddie having produced 'Stoykes' door for the front, has now come up withy the missing section of the window between the Billiard & Function room, and even the stone missing from the side. Freddie is such a controversial person in this town, yet he never ceases to amaze me.

If anybody else out there would like to come along and help, don't be shy. Would it help to know who is the committee at the moment? Here goes. Des Walsh, Chairman. Peter Madden, Secretary (minutes). Eilis O'Malley, Joint Secretary. Treasurer, Ann Power. P.R.O., Peig Lynch. Committee members:— Eva Whelan,

Margaret Molloy, Maureen Fortune, Claire Higgins, Helen Doyle (who ofered to help of her own accord, though her young man is only seven. Helen also deliverd our appeal leaflets, Leinster Cottages & all around), Barney Boyd (another volunteer), Paddy Power, Joan Grant, John O'Connor, Ann McGarry and Margaret Kirwan. Lovely cross section of the community there, which is the beauty of this project. To help, you do not have to become a member of the committe. Just come along and join in where you feel you might be of some use.

We had hoped to be completely snugged up for the Winter but we had a real run of bad luck. It all started with Maggot Cleary going to Dublin one Friday evening to meet a friend, and he was jumped on. Of course he gave as good (maybe better), then he got, but he ended up with a broken nose and black eye. Now Mag was very important, because he was our 'Clerk of Works', and a great man to motivate. he has a tidy organised mind. Nothing daunted, back bounced Mag.

Our Motivator was laid low, Forty-two stitches, loss of blood, slight concussion. Thank God he is up and out but not completely recovered. We wish him a speedy recovery to full health.

going was rough and when the going was smooth. Those were the traits he himself followed from St Francis de Sales, on whom he fashioned his life, and later the Salesian Family.

So, I refused to be daunted. Started on a round of carpenters (Maynooth them), but everybody was to help our youth. Then our committee members man who would help -- but something sad hap-The man's father died suddenly not know if it was a Back on the road again, more carpenters (it is to put your sons to), too busy, or nursing an old greivance. when will we learn that vesterday is water under the bridge. It is tomorrow we must live for and our youth is tomorrow. Back to the saga. I heard of a nice man who loved kids. Just might be the to all the prayers. Then the bone was pointed again. That man's car disappeared from outside his door on a Friday night with all his tools.

Well enough is enough. There comes a time when everybody must stand up for their rights and it appeared to me that Don Bosco needed a bit of straightening out. I started wondering if a spirit can get concussed and go back the time tunnel and think my name was Job. So I had a chat with Mamma Margaret (for those of you whodo not know the lady, she was Don Bosco's mother). I appealed to her to go and tell John to mind his manners, and not be so impetuous, as we were working for his 'young un' and our patience was running out.

you know there is nothing a MA to put manners on a Son. Behind every great man is a woman. Don Bosco had two behind him, but we have one great advantage, the second Lady in his life was Mary Help of Christians, who is our mother also. Now I feel somewhat better, I think the nonsense stop and that the nice man is going to hang the doors us need not be afraid a gutter crashing down on his Let us all say "Mary, Help Christians, pray for us." I am will be well. What chance has one mere man against two women, even if he is the Father of the second largest order in the world.

Just one more thing. The Geraldine Hall belongs to the people of May-nooth. It does not or cannot belong

to the Salesians or anybody else for that matter. The Salesian Co-Operators, who are a group of lay people working for the young), started this project because they were worried about our 16+ who had no where to go to chat and talk. The only place in Maynooth which was not being used and was almost derelict was the Geraldine. They got permission from the Trustees and Development Association, in whose care the Hall was left, to go ahead and with all of your help that is just hat we did.

Where do the Salesians come in? The Salesian Family consists of Priests, Brothers, Sisters and Co-Operators. It is an autonomous body, each section always willing ti help the other. So we, the extended Family, hav called on the expertise of our Brothers to get this Youth Club really swinging. The Bru Bosco Youth Club is for the children of Maynooth and is to be manned and run by people of Maynooth. Our Salesian Brothers will help and advise. Is all that clear?

Who are the Co-Operators in Maynooth - Paddy & Ann Power, Des

Mr. & Mrs. John Brennan, Parson

We would like to swell our ranks. Our aims are service to youth, the good of your neighbour, the poor and the underprivileged, the old, the sick, the parish and if your children are young and you cannot get involved in any of these things, then get spiritual aid from our meetings, to rear them as good Christians and to give them the understanding needed in this present day.

We need equipment for the Youth Club and are running an American Tea Party on Saturday November 12th in the Parish Hall. Tickets will be £3, the band is Champagne, they are really goodmusicians, plenty of life in them, country & western, old time, pops, something for every-

body. Supper 9 o'clock. It is a real bargain and all profits go for equipment. Don't forget to call any week night to the Geraldine and you will be surprised how good the atmosphere is. Door close at 10 o'clock.

As yet we have not completely straightened the nights, but there will be two groups, one from 12-14 and one from 15 up on the 1st January each year and the Joy Club (run by Salesians with hopefully the help of parents), at 2 o'clock on Sunday. I have the balance sheet here beside me, but I doubt if the Editor will give me any more space this time around. If it does not appear, I am sur it will appear next month.
