NEW PARISH PRIEST

Fr. Brendan Supple, who has been C. C. for the past eight years, was appointed Parish Priest recently, replacing Fr. Patrick Walsh P. P. who is returning to marriage counselling, in which he was engaged for ten years, before his appointment to Maynooth.

he will be remembered in all our prayers and be always very welcome to the parish.

We take this opportunity to wish Fr. Supple and Fr. Walsh, success, health and happiness in their new appointments.

SUMMER ACTIVITIES IN THE LIBRARY

Fr. Supple was inducted as Parish Priest on Thursday 15th September at 8pm with Mass in the Parish Church. His twin brother is also a Parish Priest, having been appointed recently to another Dublin parish.

These activities in the library in July and August, proved to be a great success, with the enthusiasm and interest displayed by children and parents alike exceeding all expectations.

Fr. Supple is a very popular choice among Maynooth and Ladychapel parishioners, who are very sorry to see Fr. Walsh go, but we know

Throughout the two months approximately 130 children participated in the Art, Funcraft and Storyhour sessions, displaying their many talents.

The fruits of their labour are now on display in the children's library.

I would like to take this opportunity to thank the parents, children and library staff, for all the effort they put into making the activities so enjoyable.

I would also like to inform children and parents that we hope to arrange a series of activities to coincide with Children's Book Week, which is being organised by the Library Association of Ireland, Youth Library Group, in December. Details of these activities will be displayed in the library and advertised in the Newsletter in November.

wonder if those who worked so hard for itinerants 'rights' would now work equally hard to restore our 'rights' here in Maynooth. (the right to walk down the Main Street without the prospect of being practically assaulted by begging children as many as ten times on the way - the right to carry on business in the town without the prospect of being raided several times a day - and perhaps at night as well - the right to live our lives without the danger of disease from the filth produced and left around by families living under primitive conditions, to mention but a few of the rights that have been taken from us by faceless few in recent months). We would like to get equal treatment in law and in Courts when it comes to driving around with untaxed vehicles, and with no driving licences. Also equal treatment with itinerants when it comes to neglect of our children and not educating them. It is one thing to look after the rights of a few but it is another to take away the rights of many.

We appeal to people who are prepared to consider and sympathise with our right and to co-operate with us. Do not, under any circumstances, give money to begging children on the streets. It is not right, it is unjust and illegal to encourage breaches of the law. Itinerants get the same allowances as anybody else out of work and are no worse off - perhaps better off since they pay no rent, rates, etc. If you wish to give alms let it be through the local St. Vincent de Paul Confraternity, the Diocesan Social Services and or some such reputable and responsible organisation. These properly organised Charities know who needs money etc. most and alms given otherwise are through these usually manage to be spent on drink.

We appeal specially to Students on the College both lay and clerical (whom we must recommend for their kindness) not to hand out money to begging children in the streets. If they continue to do so, the people of the town will be forced to put pressure on the police and Courts to enforce the law fully with regard to begging, non attendance at school, and unsocial behaviour with regard to these people. If something very serious is not done very soon there is a danger that the townspeople will take the law into their own hands. There is already talk of this and such procedure is not to be commended.

BRILLIANT STUDENTS.

Having completed brilliant courses through schools and university, Dymphna McLoughlin has, this year, achieved a distinguished M.A. Degree in Geography in Maynooth University. Not alone this but she has also won a Studentship for her Doctorate in Geography granted by the National University of Ireland. This much sought after Studentship will enable Dymphna to continue her studies at any University of her choice in Ireland or abroad.

Our congratulations to Dymphna on her dual success and our sincerest wishes for her future success.

Dymphna is daughter of Mr. & Mrs. James McLoughlin, O'Neill Park.

Another Maynooth student who has achieved outstanding success is Peter O'Reilly, who has also achieved a brilliant Doctorate in Engineering in Atlanta University, U.S.A. His brilliant thesis has been acclaimed and is of extreme interest to, among others, the American Army and his findings will in future be known as The O'Reilly Principle.

The son of Mr. & Mrs. Eugene O'Reilly, Main Street, Peter intends to take up a teaching post in America.

Bank Appointment

Mr. Tom Kelly has been appointed Asst. Manager of the A.I.B. We wish to welcome him among us and hope he will be very happy. Tom replaced Mr. Bob O'Reilly, who has been transferred to Dublin.

CONGRATULATIONS.

To Cliff Murphy, of Castle- view, Maynooth, on his appoint- ment as general manager of the Data Services Division of Cara Data Processing Ltd. Cliff was formerly head of the systems develop- ment in the division, which is responsible for large bureau operation in Ireland with branches in Dublin, Cork and Limerick. The system services some 430 client companies and handles the payroll of some 180,000 employees.

Cliff joined Cara, an Aer Lingus subsidiary in 1974. Cliff is, perhaps, better know in Maynooth to some as the conductor of St. Mary's Brass & Reed Band and an accomplished musician.

Congratulations also to Martin McAtamney, of Leinster Park, Maynooth, who has been awarded a Diploma in Engineering at the Dublin Institute of Technology, College of Technology, Bolton Street, Dublin. He is also eligible for the award of B.Sc.(Eng.) of the University of Dublin (T.C.D.) under the City of Dublin Vocational Education Committee/Univer- sity of Dublin Partnership Agreement.

We feel we shall hear more of this young man in the future.

8th KILDARE CUB/SCOUTS

Our sincere thanks to the following people who made it possible for us to have our own den.

Mr. B. Durkan, Mr. G. Brady, Mr. E. Stagg, Mr. Cummins & his staff of the V.E.C. and Mr. Tom Ashe & his staff of the Post Primary School.

On 10th September, the cubs were taken on a tour of the Garda Com- munications Centre, Dublin Castle, the Irish Glass Bottle Company, Ringsend and Dublin Airport, courtesy of Sgt. Tom Casey, Dublin Castle. In the Communications Centre, the boys saw at first hand some of the equipment & computers, used by the Gardai in their work.

From there they went to the Irish Glass Bottle Company and saw how bottles of every shape & size are made from sand. The most striking feature of this visit was the enormous heat of the furnaces, where tem- peratures reach 1,600° Centigrade.

Then we drove across the City

to Dublin Airport and this was the highlight of the tour for many of the boys. We were first taken through the Airport Security Carpark to the aircraft hangers, where the big Jumbo's 707, 737 etc. are ser- viced. The boys were allowed to board a 707 and sit in the cockpit in their turns. This was a fairytale come true for the boys.

Also on this section of the visit, they saw an old German World War Two airplane, parked on a runway. Then they were shown the Airport Fire Fighting equipment and were allowed to get into a fire tender. Then unfortunately the tour was over and we started for home after a very enjoyable and interesting

night.

The next day, Sunday 11th, the Cub/Scouts attended the St. Cronin's Regional Mass Parade in Rowlagh, Clondalkin. The 8th Kildare Scout Unit won a Certificate for cleanliness on their Summer Camp for the second year running. The certificate was presented during the Mass. Out thanks to Parents and Leaders who provided transport for the two outings.

Finally we wish to welcome Mr. Declan Quigley, Moyglare Road and Mr. John Fleming, 87 Carton Court, to the Scout and Cub packs as prospective leaders.

the audience would get excep- tional value for money, while helping a very good cause. Maybe the idea is worth discussing with Sean Bean and Fr. Rowe. Have we something worth working on?

We had our annual flag week- end last month but the returns are not to hand at the time of writing. However, I have no doubt that the people of Maynooth will once again have shown their appreciation of their own Town Band in no uncertain terms. We thank you all for your con- tinued support.

Without doubt, the major event of the year, as far as we are concerned is the Monster Bingo next month. It all happens on Sunday afternoon 9th Oct. at 3 o'clock (sharp). in the Leixlip Amenities Hall (beside the Hitchn' Post). The proceeds will be shared jointly by "The Band" and Maynooth Parish Schools Building Fund and we look forward to your support. You could win one of the big prizes.

The date of the Monster Bingo is one week later than mentioned last month, as we wanted to avoid clash- ing with Rosary Sunday in Knock, which always attracts a large number of pilgrims. We have been asked why the Bingo is not being held in our own Parish Hall but it is really a matter of com- fort and economics. We

hope to have something in the region of 1000 Bingo goers from all over the County and there is no way that the Parish Hall could accommodate this number.

From the numbers point of view you must agree with us here. The economics - Well, if the proceeds are being shared two ways, we would have quite a lot of work for very little reward were we to hold it in May- nooth. Have we convinced you yet?

Next month we hope to have all the details of the flag weekend, the Bingo and maybe that hope for December Concert - Stay tuned in.

POST PRIMARY SCHOOL

Another Academic year has started and the familiar sea of blue has returned to the three local schools. Our wish would be that all, students and teachers, will be wiser and happier at the end of it.

Congratulations are now extended to the boys and girls who did so well in the Group and Inter examin- ations. Well done! May they go on to further successes in the Leaving Certificate.

The parents night in the Gym is all set to start again on 27th Septem- ber. Parents, present or past are invited to come along and participate in several possible activities such as Badminton, Table Tennis, Weight Training, Basketball etc. No exper- ience is necessary. So every Tuesday night starting 27th from 7.30 - 9.30pm.

Congratulations to Paschal Ennis and Killian Fagan on winning Leinster Football Medals with the Kildare U/14 team during the Summer months.

Perhaps we will see them on the Senior Panel one day. Congratulations also to Mairead Noonan, who won

the All-Ireland Schools 800m in June. Mairead was representing the Post Primary School against the pick of girls from Secondary, Com- munity, Comprehensive and Vocational Schools, and left them all behind on her winning run. Well done Mairead!

The P.T.A. is arranging a talk on drugs on 18th October and all are invited to attend this very important meeting. It is a problem all parents will have to face some day and it is better to be represented now so as to avoid problems in the future. One can never be complacent about drugs and alcohol.

The choir of the school has been asked to sing at the Annual Votive Mass for the Academic year in the Pro-Cathedral. This is a singular honour for the school. No doubt under the baton of Fr. Roe they will as usual give of their best.

CARPET DAMAGE FROM CLEANING

It has come to our notice that **Carpet Damage** from cleaning is on the increase. This is caused by **Cowboys** in the trade who know nothing about carpets and who give the rest a bad name.

THE FACTS ON CARPET CLEANING

The emergence of new fibres and methods into carpet manufacturing, has introduced a whole **New Concept** into carpet cleaning. In order to get the best results of any carpet cleaning job, it is first necessary for the cleaner to identify and to have **Expert Knowledge** of the carpet about to be cleaned. This is very important - because even with the best machine and chemicals, incorrect use of either can cause colour runs and damage carpet pile. Mildew and shrinkage can occur when carpet is overwet and takes days to dry, so a particular technique might be best suited to a particular situation. Don't take these chances. **Take Advice. It's Free.** For around a £1 per yard or less you can expect and receive an excellent cleaning job with a **Written Guarantee of Satisfaction.**

We also supply and fit all makes of carpets at discount prices.

ABOUT PARTY NOTES

t the September meeting of the ranch; the Treasurer reported that sponsorship for our walk in aid of laynooth Old Folks exceeded £1,000. The money is to be handed over at the next Old Folks Party which is due to be held in October.

The meeting also discussed the recent train derailment at Moyvalley, where an Acrolonitrile train returning from the Asahi plant in Ballina left the rails and caused the special emergency plan to be put into operation. Laynooth and other Fire Brigade units were called out and were on duty all night with other emergency services.

Councillor Stagg raised the matter at the recent Council meeting and called for a total review of the safety precautions now pertaining and for the special equipping of the Fire Brigade and other services to deal with this special hazard at Maynooth, Leixlip and Kilcock.

Convent School Crossing.
The branch welcomes the road restoration in the area in front of the Convent School and the erection of the promised warning signs for same. This work has been completed following the persistent representations by Cllr. Stagg and others, on behalf of the Parents Association. It is hoped that the notice of motion tabled by Cllrs. Stagg and Brady, asking for a school warden to be provided will be equally successful.

"Bump" in the night.
The residents of Main St. will be able to sleep undisturbed again following the road repairs to the "Bump" at the pedestrian lights. The banging of empty lorries over this bump was the cause of longstanding complaints and we thank Cllr Stagg for his successful representations in the matter.

Carton Avenue.
The branch has been informed by Cllr Stagg that Carton Avenue gates will remain open until sundown,

following discussions with the Co. Council and the caretaker. Also the Council are to examine the piers at the Avenue gates, with a view to repairing/restoring same.

Housing.
Cllr Emmet Stagg has informed the branch that the Council are currently constructing 10 new houses at Greenfields and that these will be completed in June 1984. Eleven private sites are also being prepared in this area and will be ready for allocation in June 1984. As this development will use all the lands presently held by the Council for housing in Maynooth, the branch welcomes the news that negotiations for the purchase of further lands for housing are in progress.

Ballygoran Reservoir.
Cllr Emmet Stagg has informed the branch that the building of the new reservoir at Ballygoran is underway and is due for completion in 1984 and that the Council Consulting Engineers are preparing a report on improvements to the sewerage collection system in Maynooth Town area.

Childrens play area.
The Council parks section has been requested by Cllr Stagg to dedicate a section of the Town Park at Pound St. for use as a childrens play area on the understanding that residents/parents would provide the equipment required.

Straffan Rd. footpath.
At the request of the branch, Cllr Stagg made representations to Kildare Co. Co. concerning the condition of the footpath at Straffan Rd. following cable laying by the Dept. of P & T. The Area Engineer now states that a restoration order has been received from the P & T and he will endeavour to commence work in the near future.

Planning decisions and applications.
Aug 11th. Carton Properties, Rail Pk. Refusal for 120 houses.
Aug 11th. M. P. O'Brien, Maynooth

Shopping Centre. Permission for 4 shop units.
Aug 11th. John McElhinney, Maynooth. Outline permission for residential development.
Aug 24th. L. Flood, The Square. Newsagents shop & offices.

Refuse collection dispute.
The branch notes the comments of Fianna Fail P.R.O. in your Sept. issue on the matter of refuse collection.
The facts are not in dispute and continue to demonstrate that Cllr Brady failed to support or to have amended Cllr Stagg's proposal to reject the imposition of this charge, and by his silence and inaction allowed the £25 charge for refuse collection to go ahead.

CLLR. E. STAGG'S NOTES.

RE: Derelict site at Parson St. - The Co. Engineer stated that the overhanging section of the wall has been removed and the wall is safe now.

The exposed masonry may require attention from the weather later but is safe for the moment. It is hoped the Council may be in a position to take over the site in the near future.

The Chairman of C.I.E. informed Cllr. Stagg that the Canal Bridge will be repaired as soon as the contractors return from holidays. In reply to a query by Cllr. Stagg, the Minister of State at the Dept. of Transport and Dept. of Posts and Telegraphs stated that he would look further into matter with regard to the cable laying at Kilcock Road and would contact Cllr. Stagg further.

RE: Flooding at 348 Greenfield, Maynooth. - The County Engineer informed Cllr. Stagg that it is intended to carry out cleaning and improvement works at this location in the present month.

CONVENT SCHOOL PARENTS ASSOCIATION

As the new school year begins, it seems a good opportunity to review our achievements of the last year.

The most important in our view, for the safety of the children, was getting the Co. Council to agree to erect road warning signs and to mark the roads leading to the school gates. This, as well as finally obtaining permission for a school warden, was brought about by putting pressure to bear on our local representatives at a special meeting in the school. We would like to thank everyone who attended, especially Bernard Durkan, Gerard Brady, Emmet Stagg, Sgt. Higgins and the School Board of Management.

During the past year, we donated £900 to the school for various pieces of equipment and have also recently purchased an electric organ, which should give great enjoyment to the children whilst adding to their musical education. We are also negotiating for the erection of a stage for the School Hall. This will enable concerts, plays etc. to be performed inside the school instead of the

Parish Hall.

None of these achievements would have been possible without the help and co-operation of all the parents, children and staff of the school. We would like to sincerely thank everyone who has helped us in this past year and we hope for your continued support.

The association would like to send Fr. Walsh every good wish in his future position and to congratulate Fr. Supple on becoming our new Parish Priest. We hope he will continue to give us the benefit of his good advice, as he has done in the past.

One sad event occurred during the Summer with the death of Sr. M. Gerard, who devoted almost all of her life to the children of Maynooth. Although unable to take an active part in the school during her later years, she watched the new extension rise with great interest from her window and delighted in hearing the voices of the children playing in the school yard. We were very sad to hear of her death but thankful that she suffered no pain and died peacefully in the community she loved and served so faithfully.

our last monthly meeting, Cllr Brady informed us that he had received a reply from C.I.E. regarding extension of the 66 bus to Greenfield. They regret that due to residents objections the proposed turning int could not be used and to te there was no other site on e Straffan Rd. A letter from Paddy iver T.D. stated that a clean-up Laraghbryan Cemetery was being ne.

present anyone under the age 21 cannot buy a house, because ey cannot sign a contract. Gerry ady stated that there is a move oot to resolve this problem.

ung Fianna Fail are going to run sco's on Friday night's for the ung people of Maynooth. the hours ill be from 9-12 and the doors ill close at 10.30pm. The disco's ill be run by a professional body id will be supervised by members the cumann. Reservations were pressed the venture, because of ouble in the past, but it was agreed at something had to be done for ie young people of Maynooth and ie actions of a small minority should ot stop the majority of people njoying themselves. It is hoped at the early closing of the doors ill help.

he itinerant problem came up again. , Brady said that because of opposi- on in several towns in Kildare, he Council had dropped the idea f halting sites. Itinerants, as a esult of a recent court order cannot e moved unless alternative accomod- tion is provided, and the Council annot do that as people object o having the itinerants in their rea. If anyone has any ideas on he matter, please contact G. Brady r any member of the County Council.

t the meeting, many members oke out against the conduct of he itinerants. It was said there as 11 caravans on the Kilcock d. causing an obstruction. There re piles of rubbish and scrap along he side of the road and filth &

dirt all around the caravans. People cannot walk by without being harassed.

There have been instances of girls afraid to walk home from work at night. They have to go up the Moyglare Rd. and through the Hostels, to get onto the Kilcock Rd. What will they do when the dark nights come in?

There have been reports of fights between itinerants at 2pm. When a member of the Engineering Department approached the itinerants, he was told that if he didn't clear off, they would take his head off. There have been several other instances also. Begging seems to be a major problem at the moment. There are children outside nearly every shop in the Main St. The members of the Cumann believe that the attraction for itinerants in Maynooth, is the dole office, and the encouragement they are getting from the College and Hostels. It has got to be pointed out that there are a few itinerant caravans in the Maynooth area that are very clean and the general area around these are clean and the people are nice and friendly.

It is said that the "Maynooth Itinerant Settlement Committee" are responsible for getting this court order for the itinerants and have put pressure on Co. Kildare Settlement Committee to have them settled in Maynooth. There are a few questions that

have to be answered.

1. Who are these people?
2. How many of them are locals?
3. How many of them are students from the College?

We are sure that the people of Maynooth would be grateful if you would come out of hiding and let yourselves be known and just as important, let your intentions be made known. If there are some students on this committee, why don't they organise halting sites in their own locality and leave the future of Maynooth in the hands of the people who have to spend the rest of their lives here, 'not just a few years until they pass their exams.'

The Cumann wish to say Goodbye to Fr. Walsh and wish him the best of luck in his new position. We also welcome Fr. Supple as our new P. P. and say if there is anything we can do to help him in the community, we are willing to do so.

One of the longest standing members of our cumann, Nicholas Farrell, spent some time in hospital recently and is now home. We wish him a speedy recovery and look forward to seeing him at our meetings soon.

A word of warning. A blue van or car with several people has been operating in the area recently. They are calling on old people and while one is talking at the front door, the others are getting in through the back. So please be on your guard and be particularly vigilant where there are old people living near you.

The Cumann passed a vote of sympathy to our Chairman, John Cosgrove, on the tragic death of his mother. May she rest in peace.

Our next meeting will be on Tuesday 44th October at 8.30pm in the I.C.A. Hall.

Hello Children,
School is open again, most Daddies are back at work, Mammies are back to their housework and you know what that means. Yes, the holidays are over for another year. But it also means that Christmas is just around the corner. I know many of you are looking forward to that. That is all except Mammies and Daddies, especially the Mammies, who will have the job of cooking and seeing that everything is all right.

But enough of that. It is a bit early to be thinking of that yet.

Well children, I notice that there were no jumble sales in any of your areas during the holidays, to

FINE GAEL NOTES

Our last meeting was held on Tuesday 6th September in the I.C.A. Hall. It was an enthusiastic meeting after the Summer break and our local T.D. Bernard Durkan attended. Andree Eddery was appointed Assistant P.R.O.

The branch recently paid a visit to Leinster House, which proved very interesting. We set off by coach from Maynooth and were greeted on arrival at the Dail by Bernard. The debate on the Verholme Dockyard in Cork was in progress when we arrived and we witnessed a division with all 166 T.D.'s in the chamber at one time. We met Brian Fleming, Nuala Fennell, Madeline Taylor-Quinn, Myra Barry and of course the Taoishach, Garret Fitzgerald, who was very pleased to meet such an active branch of the party.

we were brought on a tour of the Senate and the rest of Leinster House and very much admired the Architecture and decoration of the building. We were told of the normal schedule of a T.D. like Bernard Durkan, which involves driving 1,000 miles per week, attending 46 clinics & 60 meetings a month, as well as attending Leinster House every day all year round. So we should not just take our T.D.'s for granted - they really do work hard.

We also had tea in the Dail restaurant, which made it a very enjoyable social evening for members

of the branch. Our thanks to Peter Brady for driving the bus.

Our next meeting will be held on Tuesday 4th October in the I.C.A. Hall at 8.30pm. Maurice Manning will attend and new members are always welcome. Andree Eddery.

In reply to a question from Bernard Durkan T.D., the Taoiseach stated "The preservation of Garton House & Demesne is a matter of great artistic and cultural importance and I am keeping under review the possible means that may exist and may be necessary to enable this to be ensured."

Further questioning of Mr Nealon,

received the reply that various possibilities were being explored which could bring about the continued preservation of the House & Demesne, but that the state of the Public Finances must be borne in mind at all times.

STUD FARM SOLD

Messrs. E. A. Coonan & Son, M.I.A.V.I., Auctioneers & Valuers, Maynooth & Athy, specialists in the sale of stud farms and agricultural properties, and Hamilton & Hamilton (Estates) Ltd., 15 Molesworth St., Dublin, have jointly sold Rahilla Stud, Kildare. The property was withdrawn from auction at £155,000 and sold afterwards at a considerable higher figure.

Rahilla Stud is an exceptional non-res. stud farm extending to c.70 acres, with tarmac yard, 12 loose boxes, feeding room and hayshed. The lands, mainly stud farm fenced, are in a high state of fertility, located 11/2 miles Curragh, 1 mile Kildare.

E. A. Coonan & Son also recently sold a non-residential farm extending to c. 81 acres at Boherhole, Clane. The property was withdrawn at auction at £140,000 and sold afterwards for a considerably higher figure.

The lands with good road frontage are in a high state of fertility and include a covered yard consisting of silage layout for 180 cattle, 3 horse boxes etc.

Located just off Kilcock/Clane Road, 3 miles Clane/Prosperous, 5 miles Maynooth, 8 miles Naas and 21 miles Dublin.

The agents commented that there was a brisk demand for both these properties and that they have several genuine inquiries for farms of a similar nature.

Priests for Mexico

Fr. Liam Flynn who has now left for his new mission appointment in Mexico, spent 6 years as Rector in the S.V.D. Hostel. During that time he made many friends and was so kind to everyone. His community and friends will miss him very much.

A special word of thanks to Fr. Liam from the Old Folks for his kindness to them always. We all take this opportunity of wishing him every success, health and happiness in his new post.

Fr. Paul St. John who had been home on holidays, has now returned to Mexico. He is also from the S.V.D. and it was great to see him home and looking so well. Wishing him health & happiness always.

MAYNOOTH SWIMMING CLUB.

Hello boys and girls and welcome to your new swimming year. Hopefully you will be all swimming the first week in October. You will all receive a note with details of venue, day and time of swimming session. Our advanced swimmer will have a session in King's Hospital on Fridays 6 - 7 p.m. Other sessions will most like be in Coolmine (subject to confirmation) on Mondays 4.45 - 5.30 or Tuesdays 5.30 - 6 15 p.m. Stewarts Hospital Pool is still closed for reconstruction. Our Annual General Meeting was held on Monday Sept. 19th in the Boys' School and the following Committee was elected:

Chairman: Mr. Owen Byrne; Vice Chairperson Mrs. Peig Lynch, Joint Secretaries: Mrs. Susan Igoe and Mrs. Carmel Buckley. Treasurer: Mrs. Margt. Molloy; Asst Treasurer Mrs. Ann Cotter P.R.O. Mrs. Catherine Mulready. Functions Manager Mrs. Eilis O'Malley. Each session will have a session secretary solely responsible for the smooth running of their particular session. Enquiries to Mrs. Susan Igoe (Phone 285497).

Our congratulations go to our three swimmers who represented Kildare in the Nation Community Games Finals in Butlins. They were Gordon Hayes, Caroline Duff and Alan Dolan. They all swam very well and were against tough opposition.

ATHLETIC CLUB.

As the 1982/83 Track and Field Season draws to a close, Maynooth Athletic Club can once again look back on a successful Season at Kildare, Leinster and all-Ireland levels, as well as being well to the fore at various open sports and road races.

For Mairead Noonan it was an outstanding Season surpassing even her own incredible achievements of previous years. The 1981/82 Gold Track Athlete of the Year won no fewer than five gold and two silver medals at the all-Irelands. In between, she won the Leinster Schools title at 400m and 800m., setting a new record for the latter, and then went on to take the schools all-Ireland in the 800m. She then went on to represent Leinster in the Schools Inter-Provincial Series from where she duly qualified to represent Ireland in the International Schools Competition in Dunfermline, Scotland.

Other notable achievements in the juvenile ranks came from Grainne Farrelly and Enda Gleeson, who, having swept the board in individual titles in the cross-country,

struck gold at Kildare, Leinster and all-Ireland levels on the track. Fiona Lawlor and Susan Breslin also saw their hardwork rewarded by taking gold medals in the all-Irelands.

Maynooth Athletes also had their usual haul of medals from the Kildare Community Games where Helen Treacy, Grainne Farrelly, Mairead Noonan, Fiona Lawlor, Austin Noonan and Hugh Purcell all qualified for the all-Ireland Community Games finals in Butlins. Here there were fine performances from all the athletes but pride of the pack was to be Hugh Purcell who brought the first ever Community Games Gold Medal at this level to Maynooth. The event was the 60m. hurdles for u/10s. Well done Hugh!

This success results in your becoming part of the history of the Town.

Among the seniors, Pat Maum made it a hat-trick

of all-Irelands in the Long Jump and earned his place in the Irish Team for the CSIT international at Mary Peters Track, Belfast. In that competition he had the distinction of producing a personal best before an audience which included Mary Peters, a former Olympic Champion, another former Olympian in Maeve Kyle, as well as the Mayor of Dublin, Michael Keating T.D. and the Deputy Mayor of Belfast, Hugh Smyth. Noel Farrelly retained his o./35 400m. title, while among the ladies Anna Kelly took 3 gold medals and one silver in the all-Ireland series.

In what was probably the outstanding race at senior level, in the Kildare Championships, Tony O'Callaghan had a tremendous win in the o./35s 800m. inflicting a first ever defeat at Kildare Veterans level on Bobby King of Kilcock.

One of the most pleasing aspects of the Season has been the emergence of a lot of talent at the u./8 level and athletes such as Pdraig Hogan, Colin Browne, Graham Kelly, Brian Collins, Maeve Casey, Caoimhe and Emer O'Sullivan, Gillian Power, Emma McCloskey and others would seem to ensure a bright future for themselves and the Club. **Kildare Championship results:** Girls u./8 80m. 3rd M. SOCCER NOTES

Well another season is well in progress and the Clubs three teams have already set out in search of further honours.

21st August. Maynooth 7, Mullingar 6. The fans certainly got value for themselves in this entertaining Liddy Cup 1st round tie. Maynooth always looked good enough to win and when they 3-1 with 15 minute remaining, it seemed all over, but Mullingar bounced back to score twice on the stroke of full time and bring the penalty rule into play. The shoot-out resulted in a win for Maynooth, who missed fewer than the opposition. Scorers T. Moore 2, P. Doyle 2, N. Farrell, E. Moen and J. Nolan.

27th August. McKeon 2, Maynooth 8. As the scoreline suggests, a very easy win in the Saturday teams opening fixture. J. Nolan 2, D. Farrell 2, P. Doyle 2, O. Durack and T. Moore scoring the goals.

28th August. Maynooth 2, St. Pauls 3. The Artane lads found themselves 3 goals up in the first 30 mins. Maynooth fought back well but could not quite peg back their rivals. T. Moore and P. Doyle scored.

Thirds 2, Neilstown Rangers 5. The thirds were leading 2-0 in the early exchanges but ran completely out of steam in the closing stages to concede defeat. G. Tracey and K. Walsh scored the goals.

30th August. G.P.O. 3, Maynooth 6. This second round Liddy Cup tie went to penalties with the Town going through to the next round with goals from L. Hutchinson 2, D. Farrell, O. Durack, P. Doyle and G. Moen.

3rd Sept. Seconds 7, Yellowstone 0. Another facile win for the Saturday team, who were completely on top throughout. S. Moore 2, T. Moore 2, J. Nolan 2 and P. Doyle scored.

4th Sept. Maynooth 2, Dunboyne 0. The scoreline does scant justice to the supremacy of the home side in this local derby and two welcome points. P. Doyle and T. Moore scored.

Maynooth 2, Ballymun 2. A good away draw for the thirds against a strong Ballymun side. G. Tracey and E. Moen scored.

10th Sept. Maynooth 3, Cashel 2. A well earned two points against tough opposition and maintaining the unbeaten record. P. Doyle, S. Moore and T. Moore scored.

11th Sept. Maynooth 2, Grovemount 2. A costly point dropped by the home team as Grovemount scored their second goal on the stroke of full time. T. Moore and W. Saults scored.
