Editorial

This month is due to mark the opening of the new Leisure Centre in the Glenroyal Hotel. The Centre will be a much needed addition to facilities in Maynooth. According to all reports the facilities in the new Centre will be first class and a high volume of applications to join have been received in the last couple of months.

The swimming pool, in particular, will be welcomed by swimmers who can now enjoy a swim without travelling to Palmerstown or further afield. Not to welcome the new Centre would be churlish but it does not address the continuing lack of public leisure facilities in Maynooth, a town rapidly approaching a population of 10,000 in size. It costs several hundred pounds for an individual to join the new Glenroyal Centre and the family rate, although without doubt good value, will be well beyond the budget of many families in Maynooth.

Maynooth Planning Alliance and other groups have highlighted this dearth of public facilities at a time when there appears to be huge pressure to allow the town grow further still over the next ten years. The creation of public space and the provision of public facilities, to which all members of the community have access, is a key to the success of any growing town. The complete failure to address these issues has at least something to do with the total planning failure in a number of areas on the periphery of Dublin. Maynooth is rapidly approaching a size where the type of facilities soon to be available in the Glenroyal Centre should be available to the whole community.

LETTER TO THE EDITOR

"In MAYNOOTH he wheels his barrow through the streets broad and narrow"

It must be said Mr. Eddie Sherry would certainly need to wheel, with extreme care, the new wheel-barrow which has recently been given into his care. You might well ask why? Well, believe it or not Kildare County Council have forked out, not £100, not £200 but a staggering £300 for a two-wheeled, wheel-barrow. It has to be the most expensive non-propelled conveyance of garbage in town.

How a company producing a wheel-barrow can justify charging, or Kildare County Council spending such an enormous amount of public money for a plastic wheel-barrow, defies basic common sense.

COMMUNITY COUNCIL NOTES

Maynooth Directory 1997

We are now taking notes and advertisements for the Maynooth Directory 1997. This valuable directory of local businesses, clubs and general information will be available in early '97. As with the earlier editions it will be available to every home in the town. If you have a message for everyone in the town, the Maynooth Directory 1997 is the place to put it.

Maynooth Community Council defer Referendum

The Community Council Executive considered the holding of a Referendum in Maynooth to seek the views of the people on the proposals in the Maynooth Development Plan. However, as the Minister for the

Environment has requested Kildare County Councillors to review their strategy on the development plans it was decided that it would not be useful to hold a Referendum for the moment.

Monsignor Matthew O'Donnell

Maynooth Community Council has expressed sympathy on behalf of the people of the town to St. Patrick's College, on the death of its President, Monsignor Matthew O'Donnell. Monsignor O'Donnell spent over thirty years in Maynooth and was well known to the people of the town.

Community Council and Maynooth Chamber of Commerce meet

Following a request from the Chamber of Commerce a meeting took place on 21st October in the Glenroyal Hotel. The meeting was arranged to discuss matters of mutual interest.

Maynooth Community Festival

A meeting took place on 17th October to review this year's festival and to consider feedback from the people of the town on their views of the festival events. Many suggestions were made for new events to take place as part of the festival week which is planned for July '97. One of the major changes will be that the festival will have a general theme, which will hopefully further heighten interest in Festival week. The next meeting of the Festival Committee will take place in January '97.

Meeting with Hewlett Packard

As you will know Hewlett Packard are currently completing a new facility beside the M4 close to Leixlip. As a future important employer in the area they are very keen to take account of the views of the local communities. Maynooth Community Council executive will hold a meeting with Hewlett Packard in November. No doubt further meetings will take place in future.

Paul Croghan, PRO

PLANNING AND DEVELOPMENT

Now that the Minister for the Environment has requested the members of Kildare County Council to complete a framework for the County Development Plan before completing the plans for the individual towns, it means that the proposals for towns like Maynooth must now be reviewed.

Existing Landbank

As this issue is central to the need for additional land to be rezoned for residential use, we now need a definitive statement from Kildare County Council on what land remains. Whatever the figure is, it must be agreed by all the Councillors on the Celbridge Area Committee who will be deciding on the need to rezone additional land around Maynooth. In considering the further development of Maynooth as regards particularly the provision of Education, it is essential that issues like this are carefully researched.

Amenities

It is important that the whole issue of amenities do not lose out because of the fact that the Development Plan is now back at the drawing board. It also means that Councillors can now focus on the provision of a *fully integrated amenity plan* ensuring that the land use strategy provides for both active and passive amenities.

It must not be forgotten that for the majority of people in the town, the loss of pleasant walking routes, natural vistas and the reduction of traditional amenity areas will be the things that mostly have a negative impact on their future enjoyment of living in a town like Maynooth.

No matter how valuable development land around Maynooth is considered to be, it is essential that the most appropriately located land around the town is made available to those who want to purchase it for amenity use. We will be considering a suggestion that we propose to Councillors that

land should be reserved for a Community Centre and a Sports Centre. All we need to do is look to the very good facility available to the people of Leixlip.

Update on the improvement of the Train Service to Maynooth.

Following a recent meeting of the Western Suburban Line Upgrade Group held on October 10th 1996, we were informed that the provision of the double line between Clonsilla and Maynooth is now being considered as part of an overall project that includes the provision to bring all Maynooth emanating trains through to Barrow Street which is south of Pearse Station.

However in the next year we can expect two new developments which will make travelling to and from Dublin by Train more pleasant.

Firstly, it is intended to run at least one evening service from Pearse Station.

Secondly, the Longford service will see the introduction of new Spanish built Railcars to replace the existing elderly Craven Carriages currently being used on this service.

Finally, you will be pleased to know that following a request from Iarnrod Eireann a customer focus group has been formed to represent the views of passengers who use this service.

C.I.C. NOTES

Accommodation

Question: Who can get a Rent Allowance and how is it calculated?

Answer: A Rent Allowance is a means tested Supplement available to those who are in private rented accommodation. It is administered by the Community Welfare Officers in Health Centres. You will not normally qualify for a Rent allowance if you are working full-time, in full-time education or involved in a trade dispute (your adult dependent may). Students on Vocational Training Opportunities Scheme or the 3rd Level Allowance Scheme are allowed to retain their Rent allowance while studying full-time.

In deciding whether or not to pay a Supplement the Community Welfare Officer will take into account a number of factors - The size of your accommodation and if you are over accommodated, whether alternative arrangements can be made. If you have recently moved from your parental home and if so the reason why?, if you have moved from less expensive accommodation. If you are over accommodated you may be asked to find cheaper accommodation or to sublet.

The amount of Rent Allowance you will get will depend on your means. You will be asked to complete a claim form

and produce evidence of rent - Rent Book, Receipts for Bank Statements. Your landlord may be asked to complete a form stating how much rent you pay. (It may also ask for the landlord's registration number with the local authority, but as 90% of Landlords have not registered, this is a matter for the local authority to deal with, and the Community Welfare Officer cannot refuse a Supplement because the Landlord is not registered).

If you are in receipt of Long Term Unemployment Assistance (£64.50) for instance, this is £2.10 over the basic Supplementary Welfare Allowance (SWA) which is £62.40. Supplementary Welfare Allowance £62.40 has £6 towards rent, so you have £8.10 towards the rent. If the rent is £40.00 a week, the most you will receive is £40.00 minus £8.10, or £31.90

Social welfare has a leaflet SW28 "Do you need help paying your rent or mortgage" and the Irish National Organisation of the Unemployed (INOUE) have a booklet "Everything you need to know to get a Supplementary Welfare Allowance".

BAND BULLETIN

They say that the seasons have gone haywire of late but nobody mentioned the Band's Calendar. The month of October is normally a time for putting our feet up after our Summer Programme and flag week-end and battering down the hatches for our winter round of rehearsals to prepare for next years programme. Lo and behold this year we have been hit by an astonishing avalanche of availability (Phew). Yes, they really came from all corners asking of the availability of the Band for engagements and as usual we do our utmost to accommodate all comers. Word of our competitive successes in 1996 must surely have got around.

G.A.A. Fans

Following our successful parade for the victorious Meath Team through Dunboyne we immediately received a request to play at the Co. Kildare Senior Hurling Championship Final in Newbridge two weeks later. It is many moons since this stadium heard the rousing music of Maynooth Band, but we acquitted ourselves to such an extent that our next invite was to no less a place than that holy of holies of the GAA namely Croke Park for the All-Ireland Ladies Senior Football Final. This to us was a major coup and we understand that we were a body recommended by again no less body than the Army Band. Good news certainly travels fast. It was a great honour to be present for this highly important occasion in the presence of President Mary Robinson, the President of the GAA and many other dignitaries. We feel a tremendous sense of pride representing the town of Maynooth at events like this and hope it is repaying the residents of the town for their continued support of the Band for many, many years.

Hospital Visitations

In between those two GAA engagements we paid another visit to Peamount Hospital where we play from time to time for the long term patients. It was good to see some familiar faces once again and even better to see the smiles and happiness which our music brought

to these less fortunate members of our society. They really enter into the spirit of the recital with some of the patients joining us to play a tin whistle or sing a song. From our own perspective it is one engagement for which we are not paid in monetary terms but we receive something in return which money can never buy. We hope to see you again in 1997.

Band Mass

Our annual Mass for deceased members is being offered at 11am on Sunday 3rd November and once again we hope to be joined by relatives and friends of all deceased members of the Band. This is one of the longest traditions of the Band and we try to make this event the most important engagement in the year because it is through the commitment of those who have gone before us that Maynooth Band exists today, and they in turn have given our current committee the strength and the will to ensure that there will always be a band in the town.

Mrs. Robinson - Part 2

It must be something of a record for Maynooth Band to play for the President of Ireland twice in the same year but yes, on Monday 4th November we have been asked to join with her at the official opening of the Lions Club Sheltered Housing Project on the Dunboyne Road. While it is a working and school day for most of our members we hope to have a Band worthy of the occasion on parade. We thank the Principals of the local schools, who are allowing players time off for this special occasion and hope it will be blessed by fine weather.

Classes

Our music classes have settled in by now and we have been fortunate in acquiring the services of a member of the Army Band as instructor for our Brass Classes. As a bonus he is also going to take brass players in our Senior Band to help improve things such as technique, tone, etc. and maybe take us to a higher level in some areas. There was a slight misunderstanding last month when some completely new children turned up on the enrolment night while our intention was just to

allocate existing class members to their respective instruments, new classes or times. We are indeed delighted to see that people actually do read the **Band Bulletin**. For the benefit of those wishing to join New classes we hope to be in a position to take on beginners after Christmas and will be advertising these classes in both the **Newsletter** and the local shops in December. Please keep an eye out for these notices and keep reading the Bulletin.

Race Night

Once again the sound of the hooves can be heard on the Moyglare Road, the cheering (or swearing) as they head past the winning post and the clink of the glasses celebrating a winner or drowning a loser as our **Annual Race Night** takes place in the GAA Centre on Friday 22nd November. The tapes go up on the first race at 9.30 pm and everyone is welcome to have a flutter, enjoy the craic and help a good cause. We would welcome sponsors of races or horses to contact Paddy Boyd, 6286 468 (work) or 6284 564 (home) or Deirdre Stynes 6286 443 (home) if you would like to be associated with this fund raising event. Our programme goes to print on 15th November and we hope to hear from sponsors as early as possible before that date.

That's about all our news for November, see you next month with details of our Christmas Programme.

MAYNOOTH SWIMMING CLUB

Our second term of the year begins on the 23rd November. During this term it is usual that we include Water Safety skills. When completed successfully the swimmers will receive certificates. Again I would like to remind you of outstanding fees for both this year and last year. These can be paid to any member of the committee.

MAYNOOTH OLD PEOPLE'S COMMITTEE

Our Hallow'een party took place on Sunday, October 20th. We were joined on the day by our friends from Celbridge whose talent added to the enjoyment of the evening. Mass was celebrated by Fr. David Boylan in the new oratory of the Post Primary School and I thank Fr. Boylan, Tom Ashe and Liam Mooney for all their help in this regard. Congratulations to all who won prizes, too numerous to mention. Many thanks to Betty Farrell whose handywork produced three of the prizes.

Our sale of works will take place on Sunday, November 24th this year, [see advertisement on opposite page]. We will be selling tickets for our Monster Draw outside Quinnsdown on the two weekends prior to the 24th, that is the 14th, 15th and 16th and also the 21st, 22nd and 23rd of November. We have been doing this for many years now and I take this opportunity to thank the proprietors for this facility and Ollie Bright for his help and co-operation in this regard.

House Calls

Our Committee and helpers will be making the usual house calls and once again we appeal to your generosity. Many others at this time of year will be calling to your door also, so please make sure you know the caller and that they are genuine. We do not have children selling tickets or lines, nor do we leave bags for filling. Generally we have the same members collecting in their own areas each year and unless you are new in the area you will know them. All our committee members carry I.D. and our helpers carry authorisations. So, if in doubt, check it out!

Sale of Work

Meanwhile please remember the date, November 24th. This is the most important date on our calendar. The success of our "Sale of Work" determines the services we provide for our older people. Do come along for an enjoyable afternoon and at the same time supporting a worthy cause. Who knows, it may be worth your while.....and sure if it isn't you'll have made it worth ours.

Finally may I wish all our older people who have taken up residence on the Dunboyne Road, many years of happiness and contentment in their new homes.

Josephine Moore

MAYNOOTH I.C.A. NOTES

The October Guild Meeting of Maynooth I.C.A. was held in the I.C.A. Hall, The Harbour, Maynooth on Thursday 3rd October. Our President, Marion welcomed us all.

Guild Activities

Crafts, as usual, in the I.C.A. Hall on Mondays at 8.00pm. Wednesday mornings are postponed for the time being.

Badminton in the Parish Hall on Tuesdays and Thursdays starting at 10.30am. "Effective Speaking" on Mondays in Leixlip, is going well.

Osteoporosis Check-Up

Our Osteoporosis check-up which was to have taken place on 2nd September was cancelled and is now taking place on Monday 11th November. Rosemary was delighted to tell us that the normal charge of £35.00 for the scan had been reduced to £20.00. Any members wishing to have the scan should contact Rosemary.

MAYNOOTH

The contents of the letter from Minister Howlin's office to the Secretary of Kildare County Council have now been published in the local press and reported on in last month's edition of the Maynooth Newsletter. Undoubtedly, this is the strongest statement to emerge from the Department of the Environment in recent years in connection with local planning procedures and a few points deserve repeating here.

Firstly, the Minister expressed concern that the adoption of a series of town and village plans in the absence of a coherent overall strategy was a recipe for planning chaos. This is a most welcome vindication of the position adopted by the Maynooth Planning Alliance throughout the past six months in voicing frequent concerns not just for the implications of such a blinkered strategy on the orderly development of Maynooth, but also the far reaching effects of such a short sighted approach on a regionalscale.

For infrastructural resources such as water supply, waste water treatment, social and educational facilities ignoring the 'big picture' was a flawed approach.

Secondly, the Minister has requested a hierarchical

PLANNING

settlement pattern of the towns and villages where projected growth shall be accommodated. This is a major point which goes to the heart of the issues for Maynooth, since it requires allocation of a specific projected population increase to specific areas. This is what regional planning must emphasise and to pay lip service to this need will not satisfy the Minister's request.

Regional planning, by its nature, must be more of a 'top-down' process than local planning. This is inevitable since a wider consideration of how to utilise limited resources such as water, waste treatment capacity, roads etc. is necessary. A learning process is involved here, since due to the nature of local government in Ireland we have been left with a legacy of relatively small county-based units. These are increasingly inappropriate to handle large scale issues and projects in a more complex planning environment. Leitrim County Council for example administers a population less than three times the size of Maynooth.

To try and overcome some of the problems posed by relatively small local planning units, a number of regional authorities were established in 1994. Kildare together with Wicklow and Meath comprise the Mid-East Regional Authority, with its headquarters in Wicklow Town. It is this body which the Minister has

ALLIANCE

directed Kildare County Councillors to concern themselves with in the preparation of a regional strategic plan for the development of the county as a whole, before embarking on further piecemeal planning exercises for individual towns.

The Mid East Region in March completed a report on the key issues and trends associated with development in this fringe region around Dublin City. They describe a region second only to the Dublin Region in terms of population density, and one whose growth threatens some crucial resources such as water supply. County Kildare emerges as the most urbanised and densely populated of the three counties, with approximately 37% of the population of the region.

Total population in the Mid-East Region is projected by the Authority to grow by 32,800 between 1996 and 2006. County Kildare's share of this could reasonably be expected to be 12-15,000 people. It is this figure which Maynooth Planning Alliance wish to draw to your attention. It is this figure which must be reconciled with the regional strategy presently being prepared for Kildare County Councillors. Seven members of Kildare County Council are represented on the body which produced this Regional Report: Councillors Dardis, Doyle, French, Hendy, Miley, O'Loughlin and Purcell.

15,000 extra people can be accommodated by rezoning residential land according to a number of criteria. Should, for example, pressure be taken in the next decade off north Kildare which has already shouldered a disproportionate share of immigration over the past decade? Should growth be directed more towards central Kildare which would help reverse the population decreases which still characterise southern parts of the county? Are there towns where moderate residential development would be welcomed and which do not suffer the congestion of modern Maynooth?

In any event, the justification for rezoning lands to cater for 50,000 extra people between Kilcock, Leixlip, Celbridge and Maynooth can now be seen to be a ludicrous exercise. Facilitating 12,000 extra people in Maynooth alone is surely no longer a runner for any political party, or are there still some political ostriches around?

The question of where we go from here must soon be addressed. If the past few months have thrown up anything, they have demonstrated that things will never be the same in planning towns such as Maynooth. What should our share of 15,000 people for the whole county over the next decade be? Residents of Maynooth await radically new proposals from their elected representatives for what is a radically new situation.

Martin Wins on Countback

Edenderry was the venue for the Joe "DoDo" Murray memorial outing on Saturday 12th October. Played in windy damp conditions the course played long and tough for the 35 competitors. Two players managed to shoot 40pts with "Nick Faldo" lookalike, Martin Foy just pipping Gerry Mc Ternan on the back nine. Congrats Martin and well done on his second success of the year. The presentation was made by Marie Murray in Caulfields that night. We would like to thank our sponsors, Jerrimac-Overall, Micky Scanlon - Longest drive and Martin Doyle - nearest the pin.

PARENTS AND FRIENDS OF THE PRESENTATION CONVENT

Parents and friends of the Presentation Convent school are organising a Mass and a presentation to mark Sr. Aquinas' 24 years in Maynooth. This will take place on Tuesday 26th November at 11a.m. in St. Mary's Church. If you wish to contribute to this presentation, donations can be left at the convent school or given to any of the following Lila Flynn, Old Carton; Geraldine Tobin, 108 Rail Pk.; Caroline O'Herlihy, 26 Moyglare Village; Noelle McTernan, 4 Moyglare Village; Jean Kennedy 11 Straffan Way; Bridget Cummins, Crewhill; Marian Brennan, Taghadoe; Catherine Fay, Leinster Cottages, before Tuesday 12th November.

MOTHER AND TODDLER GROUP

The Mother and Toddler Group continues to meet every Wednesday, during school term. The venue is the M.A.D.E. Centre which is situated beside the secondary school on the Moyglare Road. That's just a short walk from the Main Street, up past the Catholic Church and the Parish Hall. The Mother and Toddler Group is a great way for parents at home with small children to meet other parents in the same situation.

The Group is run by the parents themselves and the adults all 'muck-in' to organise the tea, coffee, and games. There is a charge of £1.00 per adult which includes refreshments for parents and children.

Please note that the Group is not a Crèche: you cannot drop off your child and go elsewhere. Each parent is responsible for their own child while attending the group.

Mams, dads, babies and toddlers welcome. Hope to see you there: Wednesday 10-12.

ROYAL CANAL AMENITY GROUP NOTES NOTAÍ Ó CHOMHAIRLE AISINTEACHTA AN CHANAIL RÍOGA

We are in the process of making an application for a new project and we have submitted a Project Plan for 1997. The work on the Canal is ongoing and is progressing well. The virus which caused the fish kill has cleared and no more kills have been reported. If anyone notices any further fish kills please inform our supervisor, Mr. Thomas Flatley.

We are sorry to lose Claire McGettrick our administrator, she is transferring to Maynooth Post Primary School. She has been a tremendous help in the past 12 months. We are looking for a replacement for her and the requirements are eligibility for C.E., office skills and computer literacy. All applications can be made to our office - telephone 01 - 6290980.

Did you know?

The Canal bridges were usually named after directors of the Royal Canal Company.

In the Maynooth area they were:

William Pike Joseph Mullen
James Bond Henry Jackson

The estimated cost of the entire Royal Canal was £197,000. It ended up as £1,422,000. It had cost £118,000 when it reached Kilcock in June 1793. It was bankrupt by 1794.

PARKLANDS RESIDENT'S ASSOCIATION

Neighbourhood Watch.

Parklands in conjunction with Castlebridge and Rail Park Road Residents launched a Neighbourhood Watch Scheme on October 10th at the Glenroyal Hotel.

The Neighbourhood Watch survey carried out in Parklands showed a tremendous desire to actively participate in the Neighbourhood Watch Scheme with more than 70 people replying that they wished to assist in the running of the scheme.

The Neighbourhood Watch Scheme now has 13 street co-ordinators and an overall area co-ordinator. A meeting will be organized in the near future to organize the distribution of information packs and to inform everyone who their street co-ordinator is. Thank you very much to all the people who turned up at the public meeting and to garda Martin Cane who organised the meeting and who will be our liaison with the police.

Party Night Nov. 2nd 8.30 Glenroyal Hotel.

The Resident's Association has organized a party so that the residents of the newest estate in Maynooth can have a night out together and get to know one another. The party was originally intended to be purely Fancy Dress and many are keen to come in Fancy Dress, however the more reserved residents of Parklands have made it clear that they wouldn't be seen dead in Fancy Dress and in response to this the social Committee wants to let everyone know that **it is no longer necessary to wear Fancy Dress** to come to the party so - come on!

Castlebridge Residents are welcome too.

TICKETS available from Liz Stoll 1 Parklands Rise.
SPOT PRIZES have been donated by many generous sponsors.

Development Plans.

The intervention of the Minister for the environment in the Development planning process for Kildare is unprecedented. The Minister's request that the regional overview be considered, before any more Town Plans are passed, and that a strategic Development Plan for the county be used as a basis for the allocation of population targets to individual towns, bearing in mind the limitations posed by water requirements, sewerage treatment and existing infrastructure, all makes a lot of sense.

However since this intervention by a minister is so unusual we do not know how it will affect the planning process. Will councillors interpret it in different ways? It remains to be seen what effect the ministers intervention will have on the plans for individual towns such as Maynooth so for now we must listen, watch and wait!

PARSON STREET RESIDENTS' ASSOCIATION

As requested by Kildare County Council we submitted our comments on their proposal for traffic calming on 20th September 1996. To date (18/10/96) we have had no reply. We were disappointed again when, in spite of objections from the councillors and this committee, the engineer came back to the next meeting of the Celbridge Area Committee with no new proposals and insisted that their original unsatisfactory plan should go ahead.

The councillors told them to implement instead the measures proposed by this committee. These had been passed at a general meeting of residents and outlined to councillors and Kildare County Council in a report dated 17/6/96.

This, on the face of it, is good news but we now have to seek assurances from our councillors that what is done will comply with our proposal.

In all our discussions and correspondence with the engineer

we have always insisted that ramps are the only thing that will slow down traffic. His reaction has always been negative and always for different reasons. Our sketch of 17/6/96 did not involve ramps although a lengthy section of the report did. Our plan could incorporate ramps at a later date when we can overcome the various objections which Kildare County Council has put to them.

GREENFIELD ESTATE RESIDENTS ASSOCIATION

At the time of writing an Autumn Estate clean up is being organised for Saturday 2nd November. On going discussions are taking place with Kildare County Council, Bórd Gáis and ESB on various matters outstanding. Telecom Eireann have been approached for additional phone boxes in Greenfield S.C. See you at the Clean Up.

MAYNOOTH AND 1916

Last month, to mark this year's 80th anniversary of the Easter Rising, we published the first half of an interview given by the late Joseph Buckley, son of Domhnall Ua Buachalla, to Mary Cullen, Historian, in the late 1960's. Domhnall Ua Buachalla (1865-1963) was the leader of the Maynooth 1916 men.

We now publish the second extract covering the experiences of the Maynooth men during the Rising.

"At the time of the 1916 Rising there was a great deal of confusion when Eoin McNeill countermanded the orders for mobilisation. Domhnall Ua Buachalla went into Dublin on Easter Sunday to find out what was happening. There he met either Thomas McDonagh or Eamon Ceannt who told him the Rising was going ahead on Easter Monday. He went home and mobilised the rest of the group on Monday morning, fifteen in all: Domhnall Ua Buachalla, Patrick Colgan, Patrick Kirwan, Matt Maguire, Tom Mangan, Patrick Weafer, Jack Graves, Jack Maguire, Tim Tyrell, Joseph Ledwidge, Oliver Ryan, Tom Harris, Tony Byrne, Ted O'Kelly and Liam O'Regan.

They went first to the shop and collected the guns and ammunition. Everyone had a shotgun and Ua Buachalla had a rifle. They marched down the street to the College to get absolution before going to Dublin. On the way they met two or three of the R.I.C., including the sergeant. He stopped them but Ua Buachalla drew a revolver and said "You don't count with us any more" and they proceeded to the College where they met the President. He tried to persuade them not to go but finally, when they made it clear they were determined, he gave them absolution.

They walked towards Dublin along the canal. They came by Clonsilla, waded across the canal in their clothes and eventually reached Glasnevin cemetery where they slept. At about 8 or 9 a.m. they came out onto the road and marched in formation into the city on Tuesday morning. They met nobody and when they reached the G.P.O. they were greeted with a mighty cheer. Pearse met them at the door and was delighted to see Ua Buachalla. They were brought inside and given food. Pearse sent Ua Buachalla to Parliament Street. The City Hall was about to be attacked and covering fire was needed. Ua Buachalla was one of the few to have a rifle. He and some others crossed the Halfpenny Bridge and got on top of the Royal Exchange buildings in Parliament Street. Here they stayed for a day and a night. Then they returned to the G.P.O., and Ua Buachalla was next sent by Pearse to the tower at Clery's where they could have a vantage point to fire at members of an Officers Training Corps in Trinity College who were firing from the roofs of the College. At the end of the week they were back in the G.P.O. when the surrender and evacuation came.

Ua Buachalla appears to have been vague about the exact

sequence of events at this stage. He found himself walking along Moore Street without his rifle and he passed by all the others who were being arrested. He decided to try to get to Broadstone Station and get a goods train home to Maynooth. But he was so tired he fell asleep standing up propped between a telegraph pole and a wall. The next morning he was walking along Dominick Street when he was seen by a soldier who shot at him. The bullet passed through the padding of his jacket. He was not hurt but he was captured and taken with his comrades to England by boat.

Two of the Maynooth group escaped arrest and made it home safely, Pat Weafer and Joseph Ledwidge. The others spent some time in prison, first in England and then in Frongoch Camp in North Wales."

We hope that the above extracts will have been of interest to many, and indeed we would welcome further contributions from other members of the community who may have further information on this unique and heroic passage from our local history.

BRIDGE OVER TROUBLED WATERS?

As commuters on C.I.E.'s frequent train journeys to and from Maynooth will know, the bridge at the Harbour is in a sorry state of disrepair. The RCAG have been busy improving the area surrounding the harbour and down as far as Bond Bridge, however with regard to the harbour foot bridge, they have run into difficulties.

The flat blue bridge was removed during the Summer months to allow canal traffic to flow smoothly. This has caused some consternation for pedestrians with buggies/bicycles and those who are wheelchair bound. The factors preventing redevelopment of this eyesore are many.

- The bridge is owned by C.I.E. and despite its rotting condition they are apparently unwilling to move on the issue.
- In spite of the many commuting students - including at least one blind student - the College seems hesitant to aid funding for the building of a new bridge.

- The inland waterways of Ireland are being transferred from the responsibility of the O.P.W. to the Minister For Arts and Culture, Michael D. Higgins. This transaction is in process at the moment and it remains to be seen what changes will be made.

- The plans for a new bridge were to be submitted by the Postgraduate Engineering and Architectural Students of Trinity and Bolton St. Colleges, as a thesis project this year. However the submissions were held up and will be delayed for another year.

*The Harbour Footbridge
- on its last legs!*

So despite the fact that the bridge is currently rotting away - no action can be taken for the time being. Perhaps when the bridge finally falls into the canal, attention will be given to this black spot on our Harbour.

Meanwhile, water appears to be leaking from the canal possibly into a river that runs directly under the canal. Most of the swans seem to have fled due to disruptions early in the Summer when the canal was being cleaned. There are plans however, to redevelop the little Island in the Harbour planting it with shrubs and plants for the dual purpose of improving its ease on our eyes - and in the hope that more swans will return.

COLLEGE NEWS

St. Patrick's College Bomb Scare

At lunchtime on Wednesday 9th. October, a hoax phone call was taken by the receptionists in St. Patrick's College, Maynooth. The caller, a male with an unidentifiable accent, threatened that a parcel would go off somewhere on campus within the next 15 minutes.

There followed a frantic effort to evacuate 4,000 students and staff. The campus was searched thoroughly but to no avail.

The Gardaí are taking their continuing inquiries very seriously, although the bomb disposal unit were not called in, and it seems to have been merely a disruption tactic.

President of College

The President of St. Patrick's College, Maynooth has passed away unexpectedly in Co. Mayo. Matthew O'Donnell was 64 and has held the post for the previous two years.

President O'Donnell taught in the College for 34 years and had been Vice President since 1980.

DANNY CARTHY - The Man, Not The Boy!

"Music is my life, my love". These are the words of a man passionate about music, the words of Danny Carthy. Many of you will remember Danny as the vocalist with Fiddler's Green who tickled our ears many times with his melodious ballads.

After years of gigging and touring around the country, Danny decided a change was necessary. In October 1995, he went into studio with the result that he has now just released an album entitled "Danny Carthy - The Man Not The Boy".

Childhood Love of Music and Words

However all this is years away from the Hills of Donegal where as a boy Danny lived. Born in Bundoran in 1947 Danny grew up in a family tradition of music. His father played numerous instruments including the accordion and the tin whistle.

At the age of fourteen the family moved to Ballytore, Co. Kildare, where for three years Danny thumbed the thirty two mile journey everyday to school in Carlow. This dedication to the books and an interest in literature manifested itself in the poems he started to write. At the same time he sustained his interest in music by singing in choirs and, like father, like son: playing the tin whistle.

When he finished school Danny got an opportunity to go into Ordnance Surveying. In 1966 his work brought him back to his homeland when he went on fieldwork to Donegal. It was on a night out in the town that Danny got his first chance to go on stage when he performed a Cliff Richard favourite of the time 'Living Doll'. It was this performance that got the ball rolling and by 1968 Danny had discovered his fondness for ballads. He performed with 'Margo' and 'The Keynotes' and at the first ever 'Mary From Dungloe Festival', singing well known songs such as 'Seven Drunken Nights' and 'Whiskey In The Jar'.

Still at the day job, Danny went to work in Dublin. It was at this time he formed his first group 'The Molly Maguires'. However 'The Mollies' success was short-lived, in fact, the group fell apart

even before they got started. As Danny recalls, after strenuous rehearsals they had their first gig in the Teachers Club, Parnell Square, but in need of little coaxing their lead vocalist consumed a little too much 'uisce beatha' and collapsed on stage before they could strum a chord of 'I've been A Wild Rover'.

Gigging with the Fiddlers

Yet success lay around the corner and in 1971 together with Maynooth's Noel Brady, Danny formed another group the infamous 'Fiddler's Green'. They played many gigs but in the latter half of the 1970's they disbanded only to regroup again in 1980. They held a residency in the Garda Boat Club at Islandbridge and at The Embankment, Tallaght, not to mention gigging locally and at various venues around the country.

While all this touring was taking place, Danny continued working with the Ordnance Survey Department. However, in 1985 as the number of venues increased, Danny went professional. Fiddler's Green remained popular with all age groups who heard their blend of folk, traditional and ballad music. Whether they were entertaining an audience in the Roost or five hundred students in the S.U. Bar - a night's craic was guaranteed, as was laryngitis. The group played their last gig on New Years Eve 1995, but by this stage Danny was already in the studio recording 'The Man Not The Boy'.

The New Album

According to Danny it was while touring Germany in 1995 with Fiddler's Green, that Danny first thought of recording an album. He saw a change in the music business, "Times were changing and I decided I had to change with them", and realised the importance of exposing his own music which would reach an audience that he would never have been able to do otherwise. 'I always had an interest in the writings of Pearse, Yeats

and Longfellow, a love of words and the stories they tell" and with this Danny has recorded ten tracks, six of which are his own original work.

Danny's songs deal with various issues, such as 'Stand Look Around You' which is a song about the environment. Another 'Little Balls of Twine' deals with the life of a salesman whom Danny heard on a radio documentary, describing his life travelling around Ireland, selling his wares. Indeed another song 'Carlingford' a song about taking time out, which Danny composed out at Pikesbridge, has been recorded by Sandy Kelly and features on a four track EP with Johnny Cash.

Turn on, tune in, and buy!

Danny's album has just been released. Tune into your radio station as the album will be receiving extensive air play in the near future and listen out for tracks such as 'Whatever You Say, Say Nothing'. Written by Tommy Sands of the 'Sands Family' fame, it was recommended to Danny by a friend and he says he had a great feeling about it from the start, "I liked the cleverness of the lyrics and I loved the air".

Danny will also be making T.V. appearances and touring around the country in the New Year promoting his new album. He is already getting great promotion from his friends and colleagues in the Entertainment Industry, if the press release by Derek Davis included with the album, is anything to go by: "It is a fine piece of work that has passion and fun, good music and nostalgia; a good companion on a long journey or an album to lift the spirits after a tough day".

One way to ensure you can enjoy this record is to go out and buy a copy of it. It is available in all record shops and luckily for all the locals of Maynooth, Danny has made copies of his album available for purchase in all Donovan's Retail shops. It's different, it's new and remember as Christmas is coming, it will make a lovely present. "If this album succeeds" says Danny "and people like what they hear, I have another batch of songs written, for another album waiting to be released".

So remember, watch out for the cheeky face of a young boy on the cover, when you're buying 'Danny Carthy - The Man Not the Boy'.

JUST DO IT!

This is what senior student, Leo Armstrong says to would-be mature students. If you are contemplating a return to education, now is the time to do it not tomorrow, not yesterday, not years ago.

The Early Years

Mr. Armstrong was born in the Sacred Heart Convent in Blackrock, Co. Cork. He was an orphan and growing up in the 'Forties and Fifties in the farming community of Aughrim, Co. Wicklow, he was not considered worth educating to second level, let alone University standard. However, Mr. Armstrong having a determined streak, refused to follow a life of farm labouring as was in store for his fellow orphans. Instead he emigrated to England, where, as a young man of 15 he worked in a textile mill by day and took a London City and Guilds Course in Management by night. He worked himself up to Assistant Manager by the age of 24.

Over the years Mr. Armstrong discovered that he had a taste for politics, but lacked, however, the confidence in his own knowledge of the social and economic history of Ireland. He returned to this country having married an Irish girl, and after several years of working at various professions, he decided his true profession lay in the field of politics. He put himself forward as an Independent Candidate in 1983 and again in the last General Election in 1992 in the Constituencies of S/W Donegal and his childhood county of Wicklow.

Back to the Books

However, Mr. Armstrong still felt that there was a wide gap in his education, and so, in the early 1990's, he applied to the colleges, U.C.D., Trinity and Maynooth. Having received offers from both U.C.D. and Maynooth, he decided to opt for the more rural community spirit of Maynooth. Here he studied Economics, Sociology and History. He has graduated recently and is now studying for his Higher Diploma in Education (H.Dip.). Next year, he aspires to

Leo Armstrong pictured with his son Neil after his conferring, both ex-workers of the Maynooth Community Council

M.A. level and after that, the world is his oyster!

Mr. Armstrong's story is not all that unusual, however, the factor which is peculiar to all mature students, of whatever age, is sheer courage. Younger students have a much more relaxed attitude to college education, as nowadays it is so much more readily available to them. The older generation, who have mostly been working for years - whether in the home or outside - have a different attitude. To them it is a means of furthering themselves, it is a step up in the world, and the sense of pride and achievement gained from this experience is worth all the struggle to get there. Furthermore, Mr. Armstrong believes that age is actually an advantage in studying for a degree. With half a lifetime behind him, he found the subjects he studied much easier to relate to, and found that it put a sense of perspective on his life's experiences. Hopefully this story will encourage other mature students to follow their dream - and like the ad says - just do it!

MOTORWAY MADNESS

"That night I dreamt of nuns like huge black crows.....giant sized rosary beads..."

It first happened just before Christmas last year. I was driving home to Maynooth from Dublin. It was late, maybe about 2 am. Four hundred yards from the Maynooth turn-off I glanced in my rear view mirror expecting to see an empty road and I was both surprised and annoyed to see two large headlights no more than four yards behind me. I slowed down to encourage this demon driver to pass me out but, instead, the large black car pulled out and moved dangerously alongside with no more than a couple of feet between the cars. The turn-off approached so I indicated left and as I did so I looked to the right expecting to see a car full of joyriders preparing to run me off the road. The face of a young boy about five years old stared from the passenger window, looking directly into my eyes. We retained eye contact for maybe two seconds until the face was whisked away as the cars separated and I veered left and entered the slip road from the motorway. Ten seconds ago I had been scared, now I felt a more primeval fear. It was late. I was tired. But I was sure. The face of the young boy in the darkness had been me. The eyes that had stared across at me were from the past, from a thirty year old school photograph on my parent's mantelpiece. First day at school, the trauma, the tears. He'd stared across, not at me, but through me. There had been no flicker of recognition.

I stopped the car and rolled down the window. A blast of frosty air made me shiver and within a minute I was beginning to doubt what I'd seen. It was late. I was tired and, anyway, I wasn't that distinctive looking as a kid. It could be any kid. I drove home slowly, memories flooding back. That night I dreamt of nuns like huge black crows swishing between the rows of desks in junior infants, giant sized rosary beads clattering at their sides.

I'd virtually forgotten the whole thing when one evening in early spring, I was again shadowed by a large black car on the motorway. This time I tried to drive away from it because as soon as I saw those large headlights in the rear view mirror a chill ran through me. Effortlessly it pulled alongside. I was two hundred yards from the turn-off. I stared straight ahead, not daring to look across. The engine whined noisily as I raced for the turn. At the last second, almost against my will, I looked across. As I did so the figure in the passenger seat of the other car turned towards me, his head back, laughing. In an instant the laugh disappeared and like the young boy he stared through me, as if at something shocking in the distance. The cars shot apart as I careered up the slip road. I screeched to a halt. This time there was no mistake. That was me in that other car. I was about twenty, thin face, long hair, leather jacket. I remember that jacket. I'd just left College but I'd no idea what the future might hold. It was all ahead of me. I had plenty to laugh about.

Obviously I didn't tell anyone about any of this. I'd always been fairly interested in the supernatural and over the following months, I read a few books on out of body experiences, ghosts and time travel. I began to rationalise my experiences on the motorway. There was some weird space - time flip out there which gave me a glimpse into the past.

For a few months I positively looked forward to another encounter. But nothing happened, until last night, All-Souls night. Maybe sub-consciously I'd stayed late visiting friends in Dublin. As I approached Maynooth at 2 am the motorway was deserted. But as before, as if from another dimension, the headlights appeared in my rear view mirror. I slowed down, excited, expectant. As before it pulled alongside. I looked across. The figure in the passenger seat was small, hunched up, staring straight ahead. From the side his head was skull like and he seemed to be gripping the dashboard with two white bony hands. Slowly he turned. There were shadows in his face, his cheek bones stood out, his mouth was sunken. He looked across at me with his rheumy blue eyes and smiled. It was a smile of infinite sadness.

DERMOT KELLY Ltd.

Established in 1954 by Mr. Dermot Kelly of the famous family who were involved in baking in Kilcock for at least 150 years. The business is now being run by his son James Kelly. As the largest Car Dealership in North Kildare it built an envied reputation during the past 40 years as one of Ireland's most respected motor retailers. As well as that, it offers a variety of services to the community which might surprise many people.

NEW CAR SALES:

The comprehensive range of new Ford Cars cannot be matched by any other manufacturer. Every car in the Ford line-up has a driver's airbag, side impact protection bars, anti-theft radio, electronic ignition immobiliser, and many other safety and security features that customers sometimes think of as only available as extras on so-called luxury makes. The range starts with **FIESTA**, Ireland's best seller over the last 20 years and revised in 1996 to be hailed as the best small car available in Europe. The **ESCORT** continues to be a favourite small family car with power steering now standard on the LX version. The **MONDEO** has recently passed the million mark in sales since its launch in 1993 and is now being restyled for 1997 with even more extra features. The **SCORPIO** is well known as the best value in large family luxury cars, with anti-lock brakes as standard. The newest addition to the range is **GALAXY** launched early this year and already the best-selling "MPV" or seven-seater in Europe, a demonstrator is available in Kelly's.

FINANCE & LEASING:

The easy way for customers to afford the latest reliable motor cars. Different packages are available to keep payments to a minimum.

Kilcock

The latest "Opportunities" scheme from Ford Credit allows payments equivalent to a 5 year loan, but the customer can change the car without penalty after 3 years.

USED CAR SALES:

At any one time Dermot Kelly Ltd. is likely to have up to seventy used cars to choose from - a wider selection than any other dealership in these parts. But at this time of year they have a particular reason for the car-hunter to visit them. For many years they have been selling cars which have had between 3 and 6 months use on the summer hire fleet. The motorist can get a "96 KE" registered car at a saving of several thousand pounds. This opportunity is well known at this stage, so don't leave it too late to avail of the huge savings.

COMMERCIALS:

Dermot Kelly Ltd. have for along time been one of Ireland's biggest sellers of Ford commercial vehicles. The **TRANSIT** now has an incredible 30% of the competitive van market and is complimented by the **FIESTA VAN** and **COURIER**, and the **ESCORT VAN**.

TRACTORS:

Dermot Kelly Ltd. were among the biggest tractor dealers in Ireland in the '50s with the legendary Fordson range, and now in the '90s they have been selected as the New Holland dealers for North Kildare and South Meath, responsible not only for the Ford range but also the great value Fiatagri products. New Holland is now the world's largest agricultural tractor and machinery business combining elements from Ford, Fiat, New Holland, Versatile, Sperry and others into a major multi-national. Selection as their local dealer is a tribute to Kelly's and great news for the farmers in the area.

FOUR WHEEL DRIVE:

This segment of the market is now catered for by the **MAVERICK**, Ford's recently revised off-roader with

a 2.7 litre 125HP Turbo Diesel engine, available in long and short wheelbases with a commercial version to provide economical use for the business user.

SERVICE:

The award-winning Service Department is run by Tom Nolan who has had very many years experience and it features a Crypton electronic computerised tuning system and, of course, the very latest Ford Diagnostic systems providing back-up for to-day's super-sophisticated engine management systems. The days when motorists could have their engines tweaked with a screwdriver by a local expert are long gone, but thanks to Kelly's highly trained staff a local service is still available at no extra cost. In recent years the Service Department won recognition from Fords as the dealership which "Got it Right First Time" more often than any in Ireland. The agricultural sector also benefits from Kelly's high-tech operation with the availability of on-farm service and Dynamometer testing.

BODY REPAIRS:

Kellys have always given a high standard of economically priced repairs for those who encounter the rough and tumble of modern traffic. With the aid of computerised paint mixing and a top quality body-realigning system they can ensure your car recovers completely.

PARTS:

The latest on-line videotext ordering can have parts flown in by the next working day for any Ford car, van or truck and the entire New Holland range of tractors including Ford and Fiatagri. Tom Dalton and his team have built up a reputation of great expertise in this field.

OIL DISTRIBUTION:

Dermot Kelly Ltd is the local Texaco agent and is well known for giving a prompt and efficient local home heating oil delivery service. They also offer double Superclub points which is an easy way for householders to increase their gift-buying power coming up to Christmas. On top of that they will also give you a free alarm clock with each 1,000 litre delivery.

NORTH KILDARE NATIONAL SCHOOL PROJECT

Native American Indian Visits Celbridge Project School

Gary White Deer, a native American Choctaw Indian, recently visited the North Kildare National School Project in Celbridge and fascinated children and teachers at the school with stories of the history of the Choctaw Nation, their culture and traditions and their connections with Ireland dating back to the Great Irish Famine.

Choctaw Indian, Gary White Deer

Gary, who was involved in the commemoration of the Great Irish Famine in the 1840's, took time out from his schedule to visit the Celbridge project school. His visit went down a treat with children and teachers alike.

"Through our Religious Education Core Curriculum we try to promote tolerance and understanding of other people's views, ideas and beliefs and to develop in the children a knowledge of differing cultural and religious traditions" said Anne Finn, a teacher at the school. "Gary's visit was a unique opportunity to expose children to a native American Indian and for them to learn about the traditions and beliefs of the Choctaw people", she added.

Gary entertained children of 2nd, 3rd and 4th classes with the Indian stories of the Coyote and the mystical Blue Thunderbird. He also taught them to do the Rabbit Dance.

Gary also explained the links between the Choctaw Nation and Ireland.

In the winter of 1831 Choctaw men, women and children were forcibly removed from their home lands in Mississippi to reservations in Oklahoma. It was a journey of some 500 miles during which they lost almost half of their people. Oklahoma was at the time a wild and remote region and it was no easy task for the Choctaw to settle there. Against this background it was all the more remarkable that the Choctaw Indians sought to help the starving people of Ireland during our great famine some ten years later, but this they did, collecting \$170 in 1847 for famine relief in this country.

'I thought he was very interesting and very funny and I loved the Rabbit Dance', said Jana O'Grady a pupil at the school.

For further information contact Rita Galvin or Anne Finn at the N.K.N.S.P. at (01) 6274388 (until 3:15p.m.), or Gary Doyle, Public Relations Officer at (01) 6288915 (evenings).

Na gardaí óga!

Recently, six vigilant Maynooth pupils from Scoil Uí Riada spotted some property that had been dumped from a

stolen car in Greenfield Shopping Centre car park. The items included a handbag and a child's car seat. They reported this find, through an adult, to the Gardai which resulted in the property being returned to its rightful owners. Civic duty is alive and well in Scoil Uí Riada, "moll an oige agus tiocfaidh siad"!

AIB agus Scoil Uí Riada:

To help us mark the 10th Anniversary of our founding in September 1986, AIB's Maynooth branch arranged for our ranganna cuig agus sé to visit the AIB Bankcentre's dealing room on Tuesday 22nd October. This was a school tour with a difference and ensured that the pupils returned full of financial advice for their hard pressed parents.

AIB's Maynooth branch has been associated with the school since 1986 and has also agreed to donate £750 to our development fund.

"Go raibh mile maith agat" to AIB and local manager, Fintan Nixon.

Leabharlann Maigh Nuad agus Scoil Uí Riada:

To help upgrade the Library's modest stock of books as Gaeilge for children, we will shortly be donating a selection of suitable books. We hope that this gesture will mark in a practical way the Library's Children's Book Festival of 21/25 October and help promote Irish amongst Maynooth's young library users.

We also sent a team to compete in the Quiz during the Book Festival. Ar eirigh leo go maith?

ST. MARY'S BOYS' NATIONAL SCHOOL, MAYNOOTH.

Sponsored Cycle

On Sunday 13th October St. Mary's Boys' National School, Maynooth sponsored cycle took place. There was a huge turnout of young cyclists for this very popular event. Mr O'Connor, teachers and many parents were at the school to organise, control and generally sort out any problems.

Getting ready to roll - just some of the young cyclists!

The young cyclists presented their sponsorship cards for stamping, a prerequisite for entry. Halfway through the cycle the cards were stamped again.

Mr O'Connor with his loudhailer marshalled the cyclists and divided them into the six mile cycle and the ten mile cycle, the parents having been dispatched with their red flags to their various check points, to control the traffic.

Mr. O'Connor with his loudhailer

The weather was ideal for cycling and the rain gratefully held off.

It was great to see the number of fathers that participated, giving their children encouragement along the route. Mothers were also present.

After an hour or so the cyclists made their appearance and once again had their cards stamped, then on to the crisps and drinks.

A great day was had by all. The boys sponsored cycle was a day to be proud of.

VIDEO REVIEW

TOY STORY (P.G.)

This is the first full-length computer-animated film. It is a surprisingly eerie offering, especially the part where the toys are trapped in the bedroom of a rather nasty kid called Sid, who has some really scary looking toys of his own. The main (toy) characters, Woody and Buzz, (voiced by Tom Hanks and Tim Allen) are really very likeable as a sort of Roy Rogers and Dan Dare duo, and are all the time getting into various funny situations. In these days of high-tech gadgetry and computer games this is a film that the kids will absolutely love. Director John Lasseter makes an extremely good job of keeping you in suspense and laughing at the great one-liners in the script. This is very definitely one to see and see again. Just right for a wet, chilly Sunday evening.

Verdict: Highly recommended.

CITY HALL (15's)

John Pappas (Al Pacino) is the strong, decent, hardworking mayor of New York. The plot involves a shoot-out between a cop and a hoodlum in which a six-year-old is killed by a stray bullet. The criminal's boss tries to play down the tragedy to keep the spotlight off his Mafia family and divert the media attention to the cop, via a bit of muck spreading. While investigating both the shooting and the allegations against the police, the mayor's right-hand man, Kevin Calhoun (John Cusack) reveals a trail of bribery and corruption at City Hall that may (or may not) lead right to the mayor himself. This is a highly polished and very slick drama, though at the end you'll think you've seen it all before.

Verdict: Worth a look.

CASINO (18's)

Robert De Niro is Sam "Ace" Rothstein, a bookie who's the Mafia's front man in Las Vegas. Then Sharon Stone is his beautiful wife Ginger McKenna, who he is mad about, but can't control. Then there's Nicky Santoro, played by Joe Pesci, who is Sam's best friend and right-hand man. Together they run four casinos; Sam has the brains while Nicky supplies the muscle. But as Nicky expands his part of the business and both of them gain power in the organisation there begins a fight for total control. Directed by Martin Scorsese this is a powerful film in the fine Scorsese mould and is bound to do well as a video release. Rent it quickly!

Verdict: Excellent.

FINE GAEL NOTES

1. Congratulations to Dep. Bernard Durkan and Cllr. Mary French who were selected by Fine Gael to contest the next general election for the Kildare North Constituency. We wish them well.
2. Cllr. Senan Griffin has requested Kildare Co. Council to apply to the National Roads Authority to have the bridge on the Straffan Road at the Maynooth interchange widened. This process is to be carried out so that through traffic can overtake cars/trucks turning onto the motorway.
3. Cllr. Griffin has placed the following motion for the next Celbridge Area Meeting. "That K.C.C. clean up the Silt, Trees/Debris on the river Slade from Meadowbrook to Parson St". This will alleviate flash flooding which has happened in the past and also make the river safer around the Meadowbrook area.
4. Dep. Bernard Durkan and Cllr. Senan Griffin expressed concern that the N.R.A. have recently put a 'hold' on the monies allocated for the improvement of by passed towns. It now seems that this money will not be forthcoming this year and will result in a delay in completing the footpaths on the Main Street.
- Dep. Durkan and Cllr. Griffin call on the N.R.A. to make this money available so that the deplorable flooding now taking place at Fagans Lane (Bartons corner) and at Phil Bradys can be eliminated. This situation is unacceptable and K.C.C. should now insist in making the footpaths safe for all pedestrians.
5. The branch would like to thank all those who contributed to the National Collection held at the end of September.

MAYNOOTH LABOUR PARTY NOTES

Bond Bridge

Cllr. John McGinley's motion, that special development levies be set at such level on the land zoned residential since 1985 but not developed, was again discussed at the Area Meeting on the 11th October.

The County Engineer's Report which was ready on the 29th July was still not circulated to the Councillors.

Cllr. McGinley demanded to see the Report without success - such is democracy at County Council level.

Adoption of a proper policy is now at a critical stage as two separate planning applications have been lodged. One for 154 houses and another for 52 houses.

The County Engineer and the County Secretary have now agreed to produce a Report with new special development levies proposed for our next meeting on the 8th November. Fifteen years ago the levies were at £1,000. Increasing them to £2,500 per house, which is a lot less than house price inflation since then, would be enough to build the bridge.

Parson Street Traffic Calming

At the Celbridge Area Meeting of Kildare County Council on the 11th October Cllr. John McGinley expressed extreme annoyance at the officials' inaction on this very important issue. It is now nearly a year since he first raised it and despite getting agreement from his fellow Councillors that £25,000 should be spent no work has been carried out to date.

Cllr. McGinley pointed out at the meeting that the Engineer's proposals are unacceptable and that he should proceed immediately to carry out work along the lines of that proposed by the Residents Association in their letter of the 17/6/96. All of the other Councillors agreed and the work will have to be carried out before the end of the year - probably in November.

MAYNOOTH G.A.A. CLUB

North Kildare U.13 Football League Maynooth 9-5 Vs Allenwood 3-7

Maynooth had a good win in this league game played in blustery conditions in Allenwood. After a slow start in which they found it hard to shake off a tenacious Allenwood side, Maynooth got on top towards the end of the first half and led at half time by ten points playing against the breeze. Two early second half goals brought Allenwood back into the match, but once Maynooth realised they were in danger they stepped up a gear and in the end ran out easy winners. Despite the impressive score line they were guilty of some sloppy passing and very poor finishing.

Peter Sheehan, Stephen Curran and Joseph Brennan played well at the back, Killian Carr and Patrick O'Rourke dominated mid-field, while up front Morgan Sweeney, Paul Broughan and Aiden Molloy (in the second half) did most damage.

Scorers, Morgan Sweeney 4-0, Patrick O'Rourke 3-2, Aiden Molloy 1-1, Finbar O'Gorman 1-0, Killian Carr 0-1, Paul Broughan 0-1.

Minor 'B' Football Championship. Maynooth 2-9 Vs Ellistown 1-9.

Maynooth minor team have reached the final of their Championship with a very good win over Ellistown. It was a goal with minutes to go that sealed victory for Maynooth. They now go on to play Rheban in the final which could be fixed for Sunday 3rd November: Hope to see you all supporting our Minors in the final.

U.15 Football League:

Maynooth 3-6 Vs Rathcoffey/Straffan 1-1.

Maynooth got the u.15 Football League off to a good start with a good win over Rathcoffey/Straffan. Maynooth were far too strong for the combined team and hopefully will keep up the good work in this league.

Darts: Winner of Turkey on Saturday 12th October was Cathal O' Grady; second was Tommy Fay. Knock out is on every Saturday night at 9.30 pm, all welcome.

Lotto Result: 6/10/96 Jackpot £300 - Numbers 3-13-19. No winner - 5 x £10 Mark & Linda Kelly, Catherine Holmes, Bill Costello, Breda O'Toole and Patrick Kavanagh.

Lotto Result: 13/10/96 Jackpot £350 - Numbers 7-23-24. Bridie O'Toole, Jim Treacy, Three Pin Plug, E. Coughlin and Grainne McArdle.

Annual General Meeting will be held in Club House on Sunday 8th December at 11.00 am.

Junior 'C' Football Championship Semi-Final. Maynooth 5pts Vs Kilcock 1-11pts.

Maynooth were well beaten by Kilcock in the Semi-Final of Championship. Maynooth had to start this game short a number of players due to injury. Maynooth started well and were 2 pts up after 5 minutes. Then in the 20th minute Kilcock got their goal to leave the half time score - Kilcock 1-6 pts to Maynooth 3pts. The second half started with Kilcock on top at mid field and their forwards had plenty of ball and so ran out good winners.

Best for Maynooth:- Paul Byrne 2pts, Johnny Murray 1pt, Martin McTernan 1pt, Niall Naughton 1pt. Also to play well, Danny Grahen, Gerry Thompson, Dermot Myles. This team still has a chance of winning their League. They play Carbury in the Final (to be fixed).

HURLING NOTES

Maynooth fail to convert chances

Bord na N-óg U/12 Hurling Semi-Final

Date: 22/09/96 Celbridge 3-0 Maynooth 1-0

It was a case of missed opportunities for Maynooth at Clane which led to their defeat against a strongly motivated Celbridge outfit. It should also be borne in mind that Maynooth manager Richie Walsh had to plan without two of his leading players Pierre Ennis and Alan Sweeney. Celbridge had the better of the exchanges in the first half and as early as the fifth minute took the lead when the Maynooth defense failed to clear their lines and the sliotar ended up in the net. Maynooth tried to recover from this setback but poor finishing together with good defensive play by Celbridge failed to produce any further scores during the remainder of the first half.

Maynooth fought bravely at the beginning of the second half and created a number of scoring opportunities but their finishing was poor. Against the run of play Celbridge scored a further goal in the tenth minute. The Maynooth players did not lie down however and following good play by Kevin Gannon and Fergal Molloy, Andrew Higgins got inside the Celbridge defence and slammed the sliotar to the net. Maynooth had further chances to reduce the deficit but failed to hit the target. Celbridge ensured victory five minutes from the end when they scored their third goal. While Maynooth manager Richie Walsh will be disappointed with the result he can have no complaints with the spirit and determination showed by his players in the game. Best for Maynooth were Jamie O'Neill, Brendan Coffey, Kevin Gannon, James Mullarkey, Fergal Molloy and David Comerford.

**Bord na N-óg U/14 Hurling League Final
Celbridge 4-4 Maynooth 2-7**

Before a respectable attendance played in very blustery conditions at Clane on Saturday 28/9/96 Maynooth went under to Celbridge in a thrilling final. In truth this match encapsulated all the finer aspects of hurling, tremendous striking, effective hooking and blocking and some fine individual displays and scores. Celbridge got off to a dream start in the second minute when they scored a goal after the Maynooth full back line got into a tangle. In the fourth minute Morgan Sweeney got Maynooth's first point after a 65 from Tommy Masterson was only partially cleared by the Celbridge defence. Maynooth began to take control at midfield but were off-target with a number of good scoring opportunities. However midway through the first half Maynooth had their second point through Mikey Gleeson after a foul on Damien Travers. Peter Guinan scored a further point for Maynooth 2 minutes later following a long delivery from Mikey Gleeson into the Celbridge defence. Minutes later Maynooth were rocked back on their heels when Celbridge broke quickly upfield and hesitancy in the Maynooth defence ended with the sliotar nestling in the back of the net. Maynooth however responded almost immediately and a fine solo run from Mikey Gleeson ended in a free which he converted himself. The same player pointed a free minutes later after Morgan Sweeney was fouled. The first half scoring was completed in the 27th minute when Mikey Gleeson had a superb point from play leaving the half time score:

penalised for 'too many steps'. In order to try and stem the tide Maynooth netminder Mark Kavanagh was moved to midfield and Tommy Masterson to the half forward line. Maynooth showed great character at this stage and reduced the deficit in the 25th minute when Robert Hammond pounced on a loose ball in the Celbridge square and slammed the sliotar to the net. Celbridge responded with a pointed free a minute later with Mikey Gleeson following a fine solo run scored a goal for Maynooth leaving a goal between the sides. The losers finished the stronger but were unable to reduce the deficit further leaving the final score Celbridge 4-4, Maynooth 2-7.

Best for Maynooth were Mark Kavanagh, Tommy Masterson, Chris Flynn, Peter Sheehan, Morgan Sweeney, Damien Travers and a superb individual display by Mikey Gleeson.

Team and Scores:

Mark Kavanagh, Padraic Nevin, Tommy Masterson, Joe Brennan, Aidan Molloy, Sean O'Flaherty, Chris Flynn, Mikey Gleeson (1-5), Peter Sheehan (0-1), Morgan Sweeney (0-1), Damien Travis, Peter Guinan (0-1), Robert Hammond (1-0), Sean Brady, Kevin Gannon. Subs: Pierre Ennis, for Padraic Nevin, Stephen Kelly for Kevin Gannon. Not used: John Kinsella, Brendan Coffey, Thomas Flatley, Shane Devereux, Colin Cushen, Fergal Molloy, Eoin Murray, James Mullarkey and Donal McCarthy.

Celbridge 2-0 Maynooth 0-6

At half time Maynooth manager Kieran Diggins introduced Pierre Ennis to the fray thus releasing Peter Sheenan to wing back and Aidan Molloy to corner back. Two minutes into the second half Maynooth took the lead when Mikey Gleeson pointed a free following a foul on Morgan Sweeney. Celbridge equalised in the tenth minute with a pointed free. Maynooth created a great scoring chance a minute later when greater interplay between Morgan Sweeney and Mikey Gleeson ended with the latter hitting a stunning shot which seemed destined for the net but a Celbridge defender got his stick to the sliotar and deflected it out for a 65. Celbridge regained the lead in the fifteenth minute when the Maynooth defence failed to pick up a loose attacker and he scored a fine point. The winners began to take control at this stage and scored a goal in the 20th minute followed by a further goal. Two minutes later, Tommy Masterson was harshly

Loss of Brazilian player

The Club was saddened recently with the departure of our Brazilian centre forward to his native country. Adolar flew out on Monday 14th October having spent the last two seasons playing with the club. At a club function to mark his farewell a large gathering of club members, friends and members of his religious community bid him farewell and wished him well for the future. Now returned to Parana, Brazil, to complete his studies and further his education in preparation for his ordination to the priesthood in two years time. A very skillful player and prolific goalscorer he will be a hard act to follow. Apart from his footballing qualities Adolar had the happy knack of mixing easily and left behind a host of friends who will miss him dearly.

Charismatic and Admirable

Chairman Michael Dempsey made number of presentations on behalf of the club which will be taking pride of place in Adolar's future. A club jersey carrying his name on the back and sporting the number ten of another great Brazilian footballer Pele was accepted with great humility. Also presented was a framed team photograph autographed by players and club members. Captain Fergal Barton on handing over the photograph wished him well and hoped that he would continue his football activities and impart some of his skills to the less gifted. Noel Dempsey made a presentation of a Rep. of Ireland jersey to remind him of his adopted country while closing the presentations Michael Dempsey made a presentation of a Rep. of Ireland Tie to be worn on formal occasions. The Chairman made the point that during his stay in Ireland his presence lent an aura of charisma on match days and at the after match refreshment session in Bradys. Even those outside the club got to know him and admired his ability to communicate so ably with everyone.

While we are sorry to lose him we wish him well in the future and can rest assured that our loss will be to the benefit of his beloved country. His

MAYNOOTH TOWN A.F.C.

family awaits him in Parana and they can rejoice in the knowledge that their offspring and sibling was a wonderful ambassador who brought a lot of joy and pleasure to those who had the privilege to make his acquaintance. Adolar returned the compliment of a framed club team photograph and at his last training session handed over his football boots in the hope that his scoring habits will rub off onto another striker.

Latest match results to date make promising reading with our Saturday team holding their own in the League with some promising newcomers to the ranks. Saturday cup competitions have yet to begin and it is hoped that a good run will be forthcoming. Our Sunday team now top the Premier Division League and remain unbeaten in that competition. A Leinster junior cup defeat away in Portarlinton after extra time and a narrow win in the F.A.I. Junior Cup make up our cup exploits to date. Our schoolboys teams are competing in their respective league and cup competitions with pride of place going to our under 13 side who defeated the much acclaimed St. Patrick's Ath. after a titanic struggle.

Cashel Celtic 1 Maynooth Town 3

This was the victory which pushed Maynooth to the top of the table. Poor conditions made good football difficult, but Maynooth adapted well and were good value for their win. A long Maynooth clearance found Donncha McCarrick in space and he laid on a perfect pass for James Delargy who blasted the ball to the roof of the net from the edge of the penalty area. Barry Desmond had to be alert in the Maynooth goal on a number of occasions when Cashel moved forward. Cashel got on terms just before half time to set up a nail biting second half. Maynooth battled hard throughout the second half which saw Federico Bros, seal the points with a

glancing header following a Joe O'Riordan cross and a cheeky piece of opportunism following a pass by Owen Maloney.

Best for Maynooth were Joe O'Riordan, Barry Desmond and Ger Thompson.

Leinster Junior Cup

Gracefield 0 Maynooth Town 0
Gracefield won 4-1 on penalties.

Maynooth were on top for most of this game but paid the price for a lack of penetration up front. Playing against a very physical side who received three yellow cards in the opening minutes. Maynooth were knocked out of their usual rhythm. Normal time failed to produce a goal despite a lot of pressure, and extra time had almost elapsed when the Gracefield left full handed on the line, but despite strong claims from Maynooth for a penalty the referee allowed play to continue. The penalty shoot-out saw the home side advance to the next round and clash with Walsh Island Shamrocks. Best for Maynooth were Michael Murphy, Paul Byrne and Fergal Barton.

F.A.I. Junior Cup

Mark's Celtic 1 Maynooth Town 2

Maynooth overcame their disappointment at the Leinster Junior Cup exit with this battling performance despite atrocious conditions. Being level at one all at the interval and the prospect of facing the strong wind and rain in the second half it did not look good for Maynooth. Federico Bros cancelled out Marks opening goal two minutes after the home side had opened the scoring. A superb second half rear guard performance in which Keith Cooke and Paul Byrne were outstanding kept Maynooth's hopes alive and justice was done thirteen minutes from time when Joe O'Riordan volleyed the winner following a Keith Cooke cross. Best for Maynooth were Keith Cooke, Paul Byrne and Joey Dempsey.

Castle Park 3**

Maynooth Town 1

Maynooth showed distinct signs of inexperience at vital stages of this game and paid the price. Never able to dominate the exchanges it was Maynooth's dogged resistance in defence which kept the visitors in the game for much of the ninety minutes. Castle scored in the 14th minute when Maynooth were caught in possession and gladly availed of the opportunity.

Maynooth got on terms in the 39th minute when Joe O'Riordan headed home following a well worked short corner between Colm Carroll and Robert Thompson. Federico Bros had a number of chances in the second half but found the home keeper in top form. Two further goals by Castle put the game beyond Maynooth's reach. Best performers for Maynooth were Simon Williams and John O'Neill.

Maynooth Town 2 Anner Utd. 0

The defensive tactics of Anner Utd. caused Maynooth a lot of problems early in the game and a packed midfield left little room for open attacking play. After a long period of pressure Maynooth opened the scoring with a Joe O'Riordan goal following a Federico Bros pass. Alan Millett and Owen Moloney were linking up well down Maynooth's right and it was from this source that the clinching goal came via a Federico Bros goal off a defender.

Best for Maynooth were Owen Maloney, Alan Millett and Barry Desmond.

Maynooth Town 1 Bakerville 5

Table toppers Bakerville showed their class despite a good showing from an under strength home side. Short a number of regulars and unable to maintain their momentum after a bright opening which saw Andy Dunne score following an Enda Carr pass. Maynooth battled hard but were unable to stem the Bakerville tide in the latter stages of the game.

Best for Maynooth were Paul O'Sullivan, Andy Dunne and Derek Dolan.

**D.D.S.L. U/13
Maynooth Town 1 Tolka Rovers 1**

This was a well deserved point for Maynooth against very strong opposition. Maynooth went in search of an early goal but a strong Tolka defense kept Maynooth at bay for long periods. Tolka had a number of good chances themselves but found Stephen Healy in top form between the Maynooth posts.

Tolka took the lead 10 minutes into the second half and Maynooth's defense were then asked serious questions. The answers were quickly forthcoming with Dean and Martin

Conway pulling out all the stops in a sterling display. Maynooth equalised with 10 minutes remaining when Gary McMahon headed home a Dean Conway corner.

Best for Maynooth were Stephen Healy, Dean and Martin Conway, Bobby Kelly and Padraig Doherty who was recently crowned player of the year for season 95/96.

U/13 Player of the Year Padraig Doherty with team managers, Tony Mc Mahon & Eugene O'Neill

**D.D.S.L. U/10
Maynooth Town 2 Cloverhill Boys 0**

Paddy Broughan gave a superb performance in goal when keeping his side to a good win over Cloverhill. Making good saves at vital stages of the game he inspired Maynooth who were good value for this important victory. S. Doogan and D. O'Haire were the home scorers in this two nil win.

Best were D. Gahan and D. Bambrick with D. Sweeney and C. Walsh also prominent.

**D.D.S.L. U/10
Maynooth Town 2 Tymon Bawn 0**

Tymon gave Maynooth a fright in the opening minutes when hitting the bar but this only served to inspire Maynooth to raise their game. David O'Haire was having a good game in defence for Maynooth with Liam Walsh giving good support.

Niall Doogan opened the scoring for Maynooth to cap a fine performance. Declan Bambrick and Sean Doogan tackled hard all through the game with Sean Doogan sealing victory with Maynooth's second goal.

Best for Maynooth were David Canny, David O'Haire and Declan Bambrick.

interval when slack marking in the defence allowed Knocklyon through for the opening goal. Knocklyon grabbed a second goal just on the half-time whistle. Maynooth tried hard to get into the game in the second half but were unable to overcome Knocklyons defence. Knocklyon scored twice more in the second half before Maynooth missed a penalty which might have given them a chance.

Best for Maynooth were P. O'Sullivan, C. Cahill and B. Doyle.

D.D.S.L. U/12 Cup
Maynooth Town 3 St. Patrick's Ath. 2

This will probably rank as the best result of the schoolboy season so far. Given very little chance against the renowned "Saints" Maynooth were in no mood to be classed as second raters. Saints opened the scoring in the 15th minute but Maynooth struck back quickly to equalise with a crisp goal from David Greally. The "Saints" went in front once more just before the interval with Maynooth looking to have a big fight on their hands. In the second half Wayne Byrne took control of the game for Maynooth and put on a superlative display of direct running and shooting. It was after a strong run that he was taken down in the penalty area for Brian Downey to equalise from the spot. "Saints" tried to take over the game once more but found David Redmond in unbeatable form in the home goal. Wayne Byrne proved to be Maynooth's match winner when going on another weaving run before smashing the ball into the top corner of the net for the decisive score. Maynooth had many stars but none shone brighter than Wayne Byrne, David Redmond, Brian Downey and Alan Brennan.

F.A.I. Youth's Cup
Maynooth Town 5 MRFC 1

The greater all round strength of Maynooth was the telling factor in this emphatic victory over MRFC. Freddie Clarke put Maynooth ahead in the first half only for MRFC to draw level before the break. Maynooth increased the tempo in the second half with Jay Miley in inspired form. Pakie Carroll was in top form in goal and never looked like conceding a second goal. Freddie Clarke got his second during his second goal with David Coughlan, Alan Doyle and Aidan O'Brien completing the scoring.

Best for Maynooth were Jay Miley, Pakie Carroll and Aidan O'Brien.

D.D.S.L. U/10
Valeview 2 Maynooth Town 2

Maynooth conceded a soft early goal to give the lead to Valeview and looked to be in deep trouble when going two down before half time. Maynooth might have gone further behind but for fine goalkeeping by Paddy Bronghan. David

Canny scored twice in the closing fifteen minutes to grab a share of the points for Maynooth.

Best for Maynooth were Paddy Broughan, David Canny and David Bambrick.

D.D.S.L. U/10
Mount Merrion 1 Maynooth Town 1

Maynooth showed great strength in defence when securing a hard earned away point against their South Dublin rivals. David Canny was again on target when opening the scoring in the first half. Maynooth should have made the game safe but missed a number of good scoring chances which proved costly when Mount Merrion scored a late equaliser following a well taken corner.

Best for Maynooth were Niall Doogan, Daire Sweeney and Cian Walsh.

The Club would like to express its appreciation to Barton's Transport for the sponsorship of warm-up tops for the coming season. With the advent of bad weather, keeping warm before games commence is of great importance to players young and old.

U/13 Team

Our player of the year award for season 95/96 was belatedly held recently. Chairman Michael Dempsey presented the award to Padraig Doherty at the teams Annual party.

Padraig has progressed through the last four years and is a worthy recipient. Another outstanding season at left back during which his commitment and exemplary behaviour was an example to all and he was a very popular winner among his team mates.

The new season is now in full swing and results have been encouraging to date. Support at home and away games has been most gratifying and we hope this support will receive due reward before the seasons end. Seamus Grant who provides transport for the team has shown a distinct interest in the team and is always first to look at the weeks fixtures.

Prize winners in our draw in conjunction with our trip to Manchester were:
Sports Voucher: Michael Kelleher; Meat Voucher: A. Murphy; Man Utd. Video: T. Henrick; Bottle of Whiskey: Rose Farrell; Box of Chocs: Martin Kelly.

We would like to thank the following sponsors who have been most supportive throughout the season.
Sports Locker - Leinster Arms - Brady Clock House - Jim Smith Butcher - Newtown Stores - Donovans G/Field S.C. - McCormacks Chemist.
